

# Wetherell Answers Criticism of Board's Operations

(Editor's Note: The following article addressed to the editor was submitted by Harold O. Wetherell, superintendent of Van Buren Public Schools. In it he answers comments made by a reader's letter criticizing the Board of Education's financial operations. In view of the upcoming March 4 special election on the School

Board's request for a 10 mill levy we submit his answer to our readers.)

## TO THE EDITOR:

The letter in last week's Public Letter Box signed, "Practical Voter" was so full of misinformation, questionable inferences and downright untruths that I feel inclined to not only answer it but to also sign my name to it.

Ever since I have lived in Belleville the Board of Education has had continuing requests from the citizens for an auditorium for this community. This idea is no brain child of the administration or the Board of Education, but is the result of popular demand by the people of the community.

In 1965 when we went to the people with a bond issue, we spelled out specifically just how we proposed to use the money:

an auditorium, Junior High School, elementary school and administration offices and vocational facilities in the High School.

THE PROPOSED BOND issue was approved by the voters and now constitutes a mandate of the people to build the structures listed. The Board of Education intends to keep faith with the electorate and do exactly as they have promised.

The present Junior High School was built from proceeds of another bond issue and none of the \$4,500,000 from the 1965 issue was allocated for the present Belleville Junior High School.

However, a brand new Junior High School to be located at the corner of Beck and McBride has been in the planning stage for about a year and should be ready for bid sometime in March.

"Practical Voter" wonders about the need for an auditorium and an administrative office building and how they will contribute to education. An administrative office building is obviously not a high priority item and will not be built at the expense of classrooms. However, as our school system grows, the need for central administrative offices will be felt more and more and at the present time such a building will

free vast areas of instructional space in our high school and elementary that are now consigned to office use.

The Board of Education is convinced that it will be more economical to build such a building now while the auditorium is being built and avoid tearing up the High School site again at a later date.

An auditorium will be of tremendous benefit to our children and community from both an

educational and cultural standpoint. Our musical organizations, band, chorus and orchestra in high school, junior high and elementary will make unlimited use of such a facility. Not to mention speech, debate, forensics, dramatics, all types of educational and cultural meetings and programs by both students and the adult community. It will add immeasurably to the community. ## SERVED CHAMBER FIVE YEARS

### Secretary Merrill R. Bird Resigns

BELLEVILLE -- Merrill R. Bird, prominent Belleville resident, has submitted his resignation as Executive Secretary of the Belleville Area Chamber of Commerce.

Bird, who has served as voluntary Executive Secretary of the Chamber for the last five years, requested his replacement by the Board of Directors last Thursday, Feb. 15. The Board, through its chairman, Justin Emerson, accepted his action with "deep regrets."

An announcement as to his successor is expected in the very near future.

Bird, who directed the Chamber's programs and activities, plans to continue to be active in local affairs.

He is leaving the Chamber's post to be free to devote more time in extension work in speech rehabilitation program and traveling.

The popular Chamber official

when making his announcement stated that he believes the Chamber is now in the best

Merrill R. Bird

shape financially and membership-wise that it has ever been and that it is time for a change.

He is certain that the organization now has sufficient potential to acquire some experienced professional help and that it can then become a more effective agency for "Community Betterment."

He added that he believes that a nationally affiliated Chamber of Commerce offers the best possibilities for assisting in the solution of local problems. Bird said that he wants to continue in every way possible to further its objectives.

Through the efforts of Bird, and the cooperation of the owner - William Kirchner - new quarters have been procured in the Professional Building, 152 Main street, Meanwhile, the Chamber offices will continue at its present location, 130 Main street, until April 1.

## Edgemont's Play Opens Tomorrow

BELLEVILLE -- Can you imagine having shoes more than two feet long?

The Edgemont Elementary School Drama Club members certainly can. They wear such shoes in portraying the giant-footed inhabitants of a fantasy kingdom in the play "Prince Fairyfoot."

Some 50 members of the fifth and sixth grades at Edgemont School are presenting this fantasy to the public tomorrow (Thursday, Feb. 22) and Friday, (Thursday, Feb. 22) and Friday,

Feb. 23, at 7 p.m., in the Belleville Junior High School Auditorium.

There is no admission but contributions will be accepted at the door after the performance.

Along with their acting roles, the drama club members are learning about construction of scenery and costumes and other aspects of the dramatic arts through their participation in this production. James Lightfoot, club sponsor and director, said, (see picture page 3)

## No Mail Delivery Thursday

Area postoffices will observe regular holiday schedule on George Washington's Birthday, Thursday, Feb. 22, are postmasters announced.

There will be no regular window or delivery services, but Special Delivery mail will be available and mail picked up from deposit pots for dispatch.

Post office lobbies will be open for access clock boxes, deposit of mail and use of stamp dispensing equipment.

THE LONG DRIBBLE--Twelve members of the senior class at Belleville High School in efforts to increase the school's team spirit and support, performed what is believed to be the longest dribble in basketball history - and a half miles last Friday afternoon. Above the seniors are shown dribbling down Main Street of Belleville on their way to Plymouth, Basketball Coach Larry Hulce led them off at the Boy's Gymnasium at 2:45 p.m. Despite the fine display of drumming up "team interest," Belleville cagers lost Friday night to the Plymouth High School team - "The Rocks," by a score of 66-55.

## Van Buren Starts Study On Acquisition of Lake

### Edison is Reported Willing to Negotiate Checking Maintenance Costs; Voters Have Final Decision

By HENRY CANTIN  
ANP Staff Writer

BELLEVILLE -- A study to determine the feasibility of Van Buren Township's acquisition of Belleville Lake and other Van Buren Township land owned by the Detroit Edison Company is now underway, it was disclosed Monday.

Louis A. Toth, Van Buren Township supervisor, when queried on the possible purchase of Belleville Lake by the Township, admitted that Detroit Edison Company officials have expressed a willingness to begin negotiations with the Township on the Township's acquisition of the lake along the French Landing and Belleville Pointe properties, all owned by the utility firm.

The study now underway is to determine the feasibility of the Township taking over the lake and land parcels. No official decision has been reached by the Township Board. Final decision rests with the voters

of the Township if and when the matter is ready to present to them, Toth added.

BELLEVILLE LAKE is 1,270 acres in size and is formed by the damming of the Huron River by the Detroit Edison Company.

Adjacent uplands are highly developed to residential use and most of these owners have access to the water through the sufferance of the Detroit Edison Company. There are at present three commercial marinas and boat livers in Belleville serving those who boat on the lake.

It has been reported that the purchase price is in the neighborhood of \$800,000 for both Belleville Lake and land parcels.

The study will also determine what the cost to Township residents would be in the event the Township agrees to purchase the lake and properties.

## FOR VB STUDENTS

### Reminder is Issued On Fluoride Program

BELLEVILLE -- The Wayne County Department of Health's topical fluoride program will start in the Van Buren School District sometime in early March, Miss Marge Lingenfelter, School Nurse, announced.

At the time appointed, for each school, envelopes will be distributed to all eligible children in Kindergarten, second, fifth and eighth grades, she reported.

The topical fluoride program is self supporting and in order to meet expenses, there must be at least 75 children participating in each school.

Four appointments are necessary and the total cost for each child is \$4.00. This is inexpensive, considering the teeth are fluoridated with the most effective weapon there is against tooth decay.

THIS YEAR any eligible children registered with PRESCAD will receive the treatments free of charge. All PRESCAD identification cards must be presented during the first treatment.

Since there is no fluoride in the Van Buren area water, the Wayne County Department of Health recommends that the children receive this treatment to help reduce decay. In a special note to parents

of eighth grade students, the school nurse stated that the eighth grader has 28 permanent teeth and he is especially in need of the protection against dental decay which fluoride provides.

Studies show that over 95 percent of the high school students in Michigan (without fluoridated water supplies) have dental caries. There is a sharp increase in tooth decay beginning with 11 year olds and continuing through adolescence.

Parents should make an effort to include children in this age group in the topical fluoride program.

\$3,000 GIFT--Officials of the Huron Athletic Boosters Club, Monday presented a check for \$3,000 for athletic program expense at the Huron High School. The club, established to support both financially and morally teams of the Huron Schools. Left to right are: Student Council President, Miss Cathy Hermann accepting the donation; Lyle Marshall, club treasurer; Chris Maciolek, club president; Mr. and Mrs. Kenneth (Rosalie) Berlinn, vice-president and secretary respectively of the club.

## FOR TOWNSHIP STUDENTS

### Huron Booster Club Gives \$3,000 for School Athletics

NEW BOSTON -- The Huron Athletic Booster Club presented a check for \$3,000 Monday (Feb. 19) to the Huron Senior and Junior High Athletic Programs.

The Huron Board of Education was forced to curtail much of their curriculum this school year due to lack of funds and the athletic program was cut. The students subsequently requested permission to maintain and financially support their own teams and have worked extremely hard to raise the necessary money.

The Huron Booster Club, realizing the additional burden this

has placed on the student body and the problems of raising this money, has elected to subsidize the program for this year.

Chris Maciolek, Jr., president of the "Boosters," felt that the check the club presented will cover the costs of spring sports, baseball and track, and provide financial assistance for the football team next fall in addition to paying any outstanding debts.

THE BOOSTER CLUB has given dances for teens, held an honorary land sale and other

various small projects to raise money. They are a very small group and have raised a remarkable amount of money.

## City Sets Election Deadlines

BELLEVILLE -- Deadlines for the filing of nominating petitions for the April 1 General Election and for registering to be eligible to vote in the election were announced last Wednesday, Feb. 14, by Irwin W. Stech, city clerk.

Petitions for persons desiring to qualify as a candidate for the office of Mayor, four Councilmen, City Treasurer, Justice of the Peace and Constable, are available at the City Clerk's office.

Deadline for filing nominating petitions is March 9 at 12 Noon and for residents not already registered the deadline is March 1.

Hours for registering are from 8 a.m. until 8 p.m. As of edition time there are approximately 975 persons on the city voter registration lists, Stech reported.

## Boards of Reviews Schedule Hearings

Area taxpayers seeking explanations or complaining about tax assessments will have a chance to air their grievances during the month of March. This is the time the Boards of Reviews from Van Buren, Romulus, Huron and Sumpter Townships meet for their annual sessions with property owners.

The Belleville Board of Review will meet at City Hall on March 5 and March 12 during the hours of 8 a.m. to 5 p.m. In Van Buren the Board of Review will meet at the Van Buren Township Hall, 46425 Tyler road, on Tuesday, March 5 during the hours of 9 a.m. to 12 Noon and again from 1 to 4:30 p.m.

Sessions will also be held on Monday and Tuesday, March 11 and 12 during the same hours of the day, Louis A. Toth, supervisor announced.

In Romulus, the Board of Review will hold meetings on March 5, 11, 12 and March 15 at the Township Hall, Goddard road and Sterling. The hours are the same. Those seeking an appointment before the Board of Review are asked to phone Supervisor Edmund Bizek's office for an appointment.

Huron Township's Board of Review will meet on March 5, 6, 11 and 12 during the hours of 9 a.m. to 5 p.m. Sessions will be held at the Township Hall, located at 37290 Huron River Drive.

Mike Kozma, Sumpter Township supervisor announced that the Board of Review will meet on March 5, 6, 7 and again on March 19 at the Sumpter Township Hall, 23483 Sumpter road. The hours of the meetings are also the same.

# WETHERELL ANSWERS CRITIC DONATION

(continued from page 1)

(continued from page 1)  
ably to the stature and our school and community.

BELLEVILLE WILL become a center for cultural and educational activities and many dollars, that are now going elsewhere, will be brought to the merchants of our town. This is what "Practical Voter" calls an "impractical building."

The vocational education program seems to be of great concern to "Practical Voter". He infers that we should be building additional expensive facilities for these courses. This is not the view of highly competent leaders in the field of vocational education.

Mr. Douglas Selby, Vocational Education Consultant for the Wayne County Intermediate School District, is at present

working on a plan for area vocational schools which will undoubtedly become a reality in the very near future. Mr. Selby says that most school districts cannot afford the duplication of these expensive facilities for a relatively small number of students in the rapidly changing areas of electronics, plastics, synthetic fibers, graphics, electronic computers, etc. These industries are changing so fast that costly equipment can become obsolete in a matter of months and the average high school would not have enough students in any one area to enable it to provide a meaningful and comprehensive program.

BELLEVILLE HIGH School has greatly expanded the vocational education program in the last few years and now has course offerings in Vocational Office Practice, a new Shorthand Dictation Laboratory, an all electric advanced typing course, Vocational Machine Shop, a Distributive Education Co-op Program, Office Occupations Co-op Program, Vocational Typing.

In addition, we have all of the equipment for a Vocational Welding and a Vocational Auto Body course as soon as rooms can be made available. It is questionable in view of the possibility of an Area Vocational School as to whether or not we should consider additional costly expansion of our program at this time.

The idea of an Area Vocational School would provide such a facility located in the center of approximately four school districts, such as Van Buren, Huron, Romulus and Taylor. This school would be able to offer courses covering the whole spectrum of vocational education. It would provide highly trained specialists to teach our boys and girls.

The very latest in exotic new equipment would be available and our children would receive the finest and most advanced training possible to provide.

HOW MUCH would this all cost? It is estimated that the cost to each community would be but a small fraction of the

cost if each individual school district were to try to duplicate the staff and facilities of every other district. Federal and State help will also be available and the cost to each school district will be low enough so every one can afford it.

Boys and girls enrolled in the vocational program would be transported by school bus to the Area Vocational School where they would spend a half day. They would then return to their own high school for the balance of the day, where they would be enrolled in academic and cultural courses.

America is changing and as we expand our fund of knowledge occupations are changing. At least half of the children now enrolled in our elementary schools will be eventually working at jobs that are not even in existence today.

Your Board of Education is keeping abreast of these changes and is making plans far into the future with the express purpose of giving our children the best possible education and the taxpayer full value for every dollar expended.

Harold Wetherell  
Superintendent of Schools

## LAKE

(continued from page 1)

The utility firm has been wanting to dispose of its ownership of the lake for some time and at a reported price of some \$400,000, it was stated. The additional \$400,000 would be for the land properties, including 101 acres of lands at Belleville Pointe.

TOTH HAS been in contact with the Edison Company officials as late as last week. His inquiry to the firm as to the possibility of the Township buying the lake and land for recreational facilities received "a willingness" on the part of Walker L. Cislak, chairman of the Board of Directors of the Detroit Edison, and E. O. George, president, to begin negotiations as soon as possible. Any final agreement would have to contain a clause that the use of the property would be limited primarily to expanding recreational facilities, Toth said.

Edison officials have reported that the acquisition of the lake and land for recreational facilities would be "a fine thing for the people in the area."

## Belleville Lake Clean-up is Aim Of Local Conservation Group

BELLEVILLE -- A factual discussion on the cleanup and restocking of Belleville Lake with game fish was a featured highlight at the regular meeting of the Huron Valley Conservation Association held Monday, Feb. 12, at Rogalle's Banquet room.

Steve Swan, state fisheries biologist; Bill Bowen, local fisheries biologist; and Bill Leutscher, area's Conservation Officer from Michigan Department of Conservation, conducted a question and answer period for the attendance. Albert Garner, Detroit Edison Representative in charge of regulating the Belleville Lake Dam was also present.

SWAN SUGGESTED the following six-point program to be followed in the event the community is interested in pursuing this program:

- In order to qualify for state assistance, there must be a guaranteed public access to the lake.
- There must be 50 percent approval of the land owners of the lake.
- The total cost of chemically treating the lake for rough fish removal would be approximately \$12,000, of which the state would provide 75 percent assistance.
- The removal of fish would be the responsibility of the area. Commercial processors are usually interested in this program.
- Coordinate the effort and timing with the Detroit Edison Company to effect the lowering of the lake during a period when the inflow will be at its lowest level in order to allow for the neutralization of the chemical before release over the dam.
- The initial and subsequent restocking of Belleville Lake with game fish, which would cover a three year period, would cost approximately \$75,000 and would be done by the state.

It appears the community has three alternatives: 1) Retain the lake in its present state. 2) Underwrite the cost of such a project locally. 3) Pursue the program outlined above.

Swan also stated for the complete success of such a program the Ford Lake area should also be treated. This would depend upon the effort of the Ypsilanti Community and the cooperation of the Ford Motor Company.

THE HURON VALLEY Conservation Association has been investigating the feasibility of this project in the interest of conservation and better outdoor recreation. Interested comment on this topic are solicited, (write Huron Valley Conservation Association, 12300 Rysnar Drive, Belleville, Michigan.)

The agenda for the next meeting will include plans for small arms range practice, films on hunting, and the final preparations for the club sponsored St. Patrick's Day Dance to be held at the VFW hall, Belleville, Saturday, March 16 at 9 P.M.

Open meetings of the association are held the second Monday of every month, 7:30 P.M., at Rogalle's Banquet Room, I-94 and Haggerty Road.

## TO STUDY FINANCIAL NEEDS

# Huron Schools' Advisory Group Holds Meeting

NEW BOSTON -- The Huron Schools' Advisory Committee held a meeting in the Huron Elementary School, Monday, Feb. 12. Theodore Oregansky, committee's general chairman, called the session to order.

Brief reports were given by sub-committee chairmen, Rev. Daniel Richert on the progress of the re-registration group, and Rene F. Compeau, on the financial committee's findings.

Two matters of concern of those in attendance indicated that the citizens of the community should be kept informed of the progress of each of the two assigned committees. Appointed to the publicity committee were Mrs. Elizabeth Krause, Vernon Moore, and Charles LeValley. All local newspapers will be asked to publicize the progress of the committees.

The second item concerned the manner in which procedures should be handled. It was suggested that Robert Wall, consultant from the Wayne County Intermediate office be invited to attend a meeting on Feb. 26.

With Wall's experience and knowledge the committee felt much will be accomplished in a shorter period of time than without his professional assistance.

ALSO A possible speakers bureau was discussed. Members of the school board and members of the Advisory Committee would be available for group meetings to keep the public informed.

THOSE IN attendance at Monday's meeting were: Theodore Dregansky, chairman, Helen Marshall Vern Moore, Ervin Maveal, Mr. and Mrs. Carroll

Piggott, Rene F. Compeau, Leo Kyko, May Miller, Evaline Head, Luke Wegienka, Helen Kentala, Rev. Daniel Richert, Elizabeth Krause, Charles LeValley, Kenneth Edwards, Harry Clark, Carl Rush, and Charles Larabell.

The finance study committee met Wednesday, Feb. 14. The meeting was chaired by Rene Compeau.

Those in attendance were: Helen Marshall, Chuck Larabell, Harold Fair, Betty Newton, Harvey Ernest, Carroll Piggott, Charles LeValley, Elizabeth Krause, Vernon

Moore, William Balwinski, Louise Bosman, Ray Miller, Harold Schuman, Leo Kyko, and Luke Wegienka.

Charles LeValley, conservation officer in Huron Township was elected as Vice Chairman of the finance study committee. An invitation to twenty prominent citizens, businessmen and township officials have been sent out by Chairman Rene F. Compeau asking for their help in serving on the finance study committee for Huron School District.

The committee has been formed to study the financial needs of the school district

and make recommendations to the Board of Education.

A complete and exhaustive study of school finances over recent years will be made by the committee. An effort will be made to determine the needs of Huron School District.

Rene F. Compeau, chairman, stated that the work of the committee carries a tremendous responsibility.

"What this committee accomplishes may have great effect on the school district now and in the future. What we do here and now and in the near future will have a lasting effect on education in the Huron School District for years to come," he said.

Next meeting for this finance study committee will be held on Monday, Feb. 26, at 8:00 P.M., in the Huron Elementary Multipurpose room. All interested citizens are invited to attend.

A personal invitation by the committee chairman to participate on the finance study committee were sent to the following: Emil Krzyske Sr., Dorothy Dugan, Rev. Daniel Richert, Rev. Merle Lutz, Father Wytrowski, George Angel, Wilma Wilson, Durrell Williams, Robert Laurain, Louis Krause Jr., Edward Dulecki, Glenice Bosman, James Krause, Carl Bruder, Edward Helwig, Robert Dettlor, Jerry Kias, Rotary Club, and Richard Blalcyck.

"THE BIG GAME" --- A team organized by the Methodist Men's Club of the First Methodist Church composed of members and others played against the Citizens Mutual Insurance Company's adjusters from Detroit in the Girls' gymnasium at Belleville High School last week (Feb. 13). The Men's Club won by a score of 58 to 46. The above photo shows some of the "aggressive" action taken by the players during the game. The first between the groups. The shirted players are the adjusters.

## Sumpter OK's Liquor Control Law

SUMPTER -- A Liquor Control Enforcement Ordinance was adopted last week (Feb. 13) by the Sumpter Township Board, Mike Kozma, supervisor, announced.

The Ordinance establishes a township Liquor Enforcement Bureau with full power and authority to see that provisions of the Michigan Liquor Control Act are enforced within the Township.

The personnel of the bureau will consist of persons who may be appointed by the Township Board or be delegated to the police department by Township Board.

The Ordinance carried a maximum penalty of 90 days in jail or a \$100 or both for violations of its provisions.

## Association Meet Held

BELLEVILLE -- The Van Buren Education Association, representing some 300 teachers in the Van Buren School System, held a preliminary general meeting of members Monday night.

The meeting, the first of a series, was held at the Belleville Junior High School starting at 7:30 p.m.

The meeting, called by Kenneth Askew, English teacher and chief negotiator for the Association in upcoming contract negotiations, was to get teachers' views and opinions on the development by the Association of proposed bargaining goals for the 1968-69 school year.

During the next 30 days, meetings will be held after school

hours at the individual schools in the school system for similar teacher discussions including airing of problems, if any, and future aims.

Another final general meeting will be called, tentatively scheduled for March 12, at which time bargaining goals and proposals will be definitely determined for presentation to the Board of Education, Askew stated.

A letter embracing the proposals will then be presented officially to the School Board along with a request to set a date on negotiations.

If the children protected from TB by UNICEF marched four abreast, in rows two feet apart, their procession would circle the globe.

## Students How Will They Vote?

Of the nearly 7 million who enrolled in colleges last fall, more than 70 per cent are under 21 years of age, and thus will not be eligible to vote in the presidential election in November.

How politically mature are these students, and how representative of their beliefs have been the militant demonstrations staged on campuses all over the country.

New light may be thrown on the political attitudes of college students in the unusual straw vote that is to be held on college campuses throughout the country in April under the sponsorship of Time magazine.

THIS STRAW vote has been called CHOICE 68, and the vote will take place on some 2,400 campuses. It is expected that over 5 million students will cast ballots. The only test of voting eligibility will be enrollment in a college or university.

There is no doubt that this event will give professional politicians some food for thought and may very well, for good or ill, have a bearing on policies and measures advocated by many present officeholders who must reckon with the college students who will soon become legal voters.

CHOICE 68 may not elect a candidate officially, but unofficially, it will carry a lot of weight and should not be approached lightly by participating students.

## Ungraded Reading Program Being Tested at Riverside

NEW BOSTON -- Reading is one, if not the most important, subjects taught in the elementary grades. How children learn to read best has been studied and studied, and many methods have been devised to teach the subject.

The ungraded reading program now being tested at Riverside Elementary School in Huron Township. School officials believe it has some real strong attributes and both the students and teachers have seemed to respond to it wholeheartedly.

The purpose of the ungraded reading program is to provide a flexible plan and make it possible to fit it to the child's growth and development, rather than forcing a child into a fixed program they said.

This is done by doing away with grade lines in reading and replacing it with a series of reading levels. Thus, a child passes from one level to the next, but not until he has mastered the level he is on. This, in the case of some youngsters, will require more time at each level, than is required by other children.

SOME OF THE other highlights of the program include the fact that it provides for flexibility in the movement of children to groups in which they

can achieve satisfactorily. It also allows us to extend the program for the slow learner over a longer period and yet, it provides a greater challenge for the superior reader.

The Riverside Reading Program is divided into two major divisions.

Children in Grades one through three are grouped in the primary section, and the boys and girls in Grades four through six work in the intermediate section. In this way, there is no child working more than two grade levels above or below his age group. This keeps the social adjustment to a minimum.

Presently both sections have the children grouped into eight reading levels. In setting up this type of program, it is possible to reduce the spread of abilities that each teacher has to handle. This will permit her to give an increased amount of individual attention to the students she has.

The students' attitudes have improved as well, as it is not impossible to move up two or even three levels a year, and they receive a lot of satisfaction in moving to a higher group more often than once a year, school authorities stated.

## City Asks Bids for Police Car

BELLEVILLE -- City Council Monday night ordered the advertising for bids for a new police patrol car. The new scout car will replace one to be traded in and give the city two police cars.

A request for rezoning of four lots by R.C. Whitchell, 351 Edison was referred to the Planning Commission for a report and recommendation.

Another request by Little League Association for financial assistance was referred for further study.

And council members adopted amendments bringing the city building code up to date, Mayor Royce E. Smith stated.

Ernie Heyman's 43-2 record in foil competition for Wayne State University's fencing team established a WSU record for wins in one season in foil competition.

## TO THE EDITOR:

Van Buren School System wants more millage for schools, but not private schools, in this area.

Don't the taxpayers have a right to say where their millage goes?

Why don't the private schools in this area get help, I as a taxpayer say that if I want my millage to go to a private grade school or high school, I should be allowed this right.

The constitution gives me the right to send my children to a private school. Then why can't I or anyone else have the say where his or her millage goes?

Without the private schools, the state of Michigan would not be able to handle all the children.

Just think a minute -- If the Catholic School in Belleville closed today, would Van Buren School System have room for all the Catholic children in this area?

James McCullough

## TO THE EDITOR:

To many of the people and probably to most, it hasn't been known that the merchants in downtown shopping area have been providing free parking in the adjacent parking lots by paying to the City of Belleville a monthly bill.

The parking meters in these lots have been removed because the average return from these meters have been paid by some of the merchants. I made such reservations due to the merchants that has been receiving benefit of the policy but do not contribute his equal share.

Originally the arrangement was made with the city to continue this payment until the cost of the meters had been met. This objective has now been accomplished but the city officials now threaten to put parking gates on these lots unless the merchants continue to pay the monthly billing.

According to the city officials, it is necessary to continue to charge the merchants as there is a matter of continuing maintenance cost. Well -- if there is a cost involved, and there probably is, why haven't Main Street and other parking meters been maintained in operation so that a revenue could be derived to off-set the cost of maintaining or purchasing additional public parking?

I am sure that the merchants

involved in this situation will continue to do what they can to provide the free parking for their customers, but it seems that there could be much more co-operation on the part of the mayor and city council, and perhaps even a little help from merchants in that area who in the past have derived benefits but have not paid their fair share.

I wonder how many people have appreciated the convenience of the free parking, and if they have, how many would be willing to communicate with the mayor and council to get a reasonable and exacting answer to the question mentioned above.

Perhaps a request by the shopping public for a published explanation would help the merchants who have been carrying this expense and also continue the free parking facilities that have been, and at present still are, available to the shoppers.

## TO THE EDITOR:

Why does the township administration schedule Public Hearings on the sewer program after the ordinance has been adopted? These should have been held earlier.

What about the statement that sewers will solve our financial problems? Won't they create more by bringing subdivisions with a much greater need for schools and other services?

Why put a sewer down undeveloped roads such as Romine, Ash and South Huron Road plus making two very expensive river crossings for them? The same dollars would build sewers for many miles of built-up roads in the township.

If the Water Resources Commission ruling is the main reason for being in such a hurry on the program, why not spend a fraction of the money and just do the small amount they ask for? Later, when more outside funds are available, we could add to the program. All of the present Federal grant is strictly for the main interceptor sewer anyhow.

Isn't it true that all the "free" advice by consultants, engi-

neers and attorneys telling us to go ahead with this program is costing the township upwards of \$400,000?

At a time when bond interest rates are near an all-time high, why go in debt for 40 years with the probability that many additions will add to this like they have on the water program.

## TO THE EDITOR:

As a property owner who is paying far more than my house trailer neighbors, I will never vote again for a school millage request.

The answer for more school money is an income tax for schools that we ALL pay equally for, not just the property owner who stays in a vicinity for 30 yrs. and more carrying the load, while others move in and out.

James H. Schaerer

## TO THE EDITOR:

You asked for people to send in their opinions, (pro and con) regarding the millage election set for March 4. Well for what it is worth I would like to put my few cents worth in.

Should the voters turn down the millage proposal? The school board has but one choice or alternative, and that is to "live within their means." Wouldn't that be a good idea for once.

Taxes have continually been increased for one reason or another, and if we, as taxpayers, did not figure out "ways and means," to live within our income, we certainly would not be able to afford to pay these high taxes, surely, there must be a saturation point somewhere, as to how high can they go?

I HAVE talked to many people lately and they are of one opinion, and that is, that even though

## Letters Must be Signed

A brief note to writers of some recent letters to the editor is in order. The letters were not published due to a lack of signature. Others were exceedingly long.

We sincerely appreciate and welcome letters to the editor but due to space limitations we request that the letter be kept within reasonable lengths -- under 500 words.

We asked that the letters be signed. Any request to withhold the sender's name will be honored. We reserve the right to edit letters received.

rent is high at the present time, it is getting to the point, that it is cheaper to rent, than to own property. It is getting to be a hardship on retired people, and other people on fixed income. So, I think it would not be a "crime" for the school board to try to live within their income for the time being.

Then too, another idea, I figure, if the school property were used for twelve months of the year, instead of the present nine months, (which probably were started in the first place by farmers, who had to have their children home for the other three months, to help with the farm work,) which at the present time is obsolete and outmoded, there would not be the need for additional schools, as the present facilities would be used to the fullest extent, and this would increase the present school's capacities, by one third. How about suggesting that a referendum be held on this proposal?

Then too, we of the Van Buren school district are very fortunate, that we have on our tax rolls, (for school purposes,) the General Motors property. It is a very remote possibility, but could be sometime probability, that Ypsilanti Township sometime in the future could demand that this property of General Motors, be placed on Ypsilanti Township school tax rolls?

This would certainly put Van Buren Township in a tragic position, we therefore would not be one of the lowest "school tax rate areas," but probably one of the highest. I end by saying, there is no time, like the present time, for the school board, to try to live within their income.

Another weary taxpayer

## TO THE EDITOR:

When I was in school the best definition of an education was considered to be: The preparation of the student to live in the community in which he will find himself.

This obviously involves two major view points -- the student himself and the community. Also it is reasonable to assume that the majority of students will continue to live in the community in which the school they attend is located.

Therefore a balance should be struck between the objectives of the school and the community.

AN EDUCATION that enables students to fit into and improve their community is very important. On the other hand the creation of a school system that absorbs an undue proportion of a community income, through excessively high taxes and consequent high rents and other costs of living, must inevitably lower the standard of living in the community in which the student will later find himself and thus defeat the primary purpose of an education.

Voters in the coming election should consider carefully what constitutes a proper balance for this community.

## Your Income Tax

(Editor's Note: Several millions of Michigan taxpayers will file their annual Federal income tax returns April. Because of the technical complexities of our self-assessment tax system, The Enterprise-Roman will publish a series of articles prepared by Internal Revenue Service to assist taxpayers. The fourth of the series appears below.)

## PERSONAL EXEMPTION

You as a taxpayer are allowed a personal exemption of \$600. In addition, if you are 65 or over by the end of the year, you are entitled to another \$600 exemption. An additional exemption of \$600 for blindness is also allowed. It would be possible for the taxpayer to have personal exemptions totalling \$1,800.

If you file a joint return, your wife could also claim any of the above exemptions to which she is entitled. If you file a separate return, you may claim the exemption(s) for your wife only if she has no gross income and was not the dependent of another taxpayer. If your wife has gross income, you may claim her exemption(s) only if she files a joint return with you.

A HUSBAND or wife cannot be claimed as a "dependent." So, there is a difference between personal exemptions and dependency exemptions.

You are always entitled to the full exemptions even if your spouse died before the end of the year, as long as the conditions qualifying the exemption existed at date of death.

Your instruction book will tell you whether or not you qualify for these exemptions.

## DEPENDENT CHILDREN

The greatest number of exemptions for dependents on tax returns are for the children of taxpayers. Questions are often asked concerning those children who have income of their own.

Even though your child had earnings of \$600 or more, if he was under the age of 19 as of the end of 1967 or is a student, the exemption may still be allowable. You must have contributed over 50% of the support of the child in order to claim the exemption.

The child would also be entitled to claim his own \$600 personal exemption when he filed his own return. This is the only instance in which an exemption is allowed on two separate returns for one individual.

If your child has income during the year and used it for his support, you must consider that income in determining whether or not over 50% of the support was contributed by you.

If the child saved his income or invested it in a capital asset, those amounts are not considered as being used for support. "Over 50% of the support," refers to the COST of support and not the period of TIME support was furnished.

ANOTHER THING to remember is, if you have a child who had earnings of \$600 or more during 1967, he must file his own tax return.

An exemption of \$600 is allowed for a child born alive during the year if the dependency tests are met. This also applies to a dependent who dies during the year.

Document No. 5013, which furnishes more detailed information on this subject, may be obtained by dropping a postcard to the District Director, Internal Revenue Service, Detroit, Michigan 48226.

## Romulus Schools Named Spelling Bee Champions

ROMULUS -- Grade spelling bee champions were named in the Romulus Community Schools the past week as the first round of the Annual Detroit News Metropolitan Spelling Bee got underway.

At the Romulus Elementary School the Fifth Grade Spelling Queen is Jill Williams, daughter of Mr. and Mrs. Ray Williams, 12000 Elmview, Romulus.

The runner-up was Alan Rafalski, who lost the victory on the word "auditorium". Sixth grade champ is Luz Felico, son of Mr. and Mrs. L. Felico, 36512 Goodard road, Runner-up honors went to Mark Lewkowicz.

Fifth grade bee winner at the Harrison Elementary School was Kathy Ozment, daughter of Mr. and Mrs. C. Ozment, 15769 Colbert street. The winning word was "accurate". Runner-up was Duane Marshick.

AFTER A long bee in the Sixth grade of the same school, Debra Romansky, daughter of Mr. and Mrs. S. Romansky, 30220 Pennsylvania road, was declared the winner. She correctly spelled "active" to clinch the honors from runner-up Carla Hay, who stumbled on "acquainted".

Spelling Bee winners at Hayti School were Birth Lamb, Sixth grade; Laurie Genlor, Fifth grade. Their parents are Mr. and Mrs. Homer Lamb, 30888 Van Born and Mr. and Mrs. L. Genlor, 32188 Bruce street.

At the Gordonville School, two girls also spelled for final honors in the Fifth grade. They were Barbara Krasuski, daughter of Mr. and Mrs. W. Krasuski, who became the spelling champion, and Shelly Wiltzie, who was runner-up. The winning word was "pillow". Barbara resides at 30696 Smith road.

In the Sixth grade of the same school Larry Hickmott defeated another boy, Mike Croyle, runner-up, to become champ.

Larry's parents are Mr. and Mrs. D. Hickmott of 28985 Smith road. The winning word was "opinion".

BEAUTY OF THE HEAVENS, untrespassed and clean, is without doubt where John Gillespie Magee Jr. found his inspiration for the words of his famous "High Flight" poem that was to become accepted by airmen world over as the "Airmen's Prayer". It was such a setting as pictured here, high in sky, in Royal Air Force Spitfire such as Pilot Magee flew, darts among the fluffy clouds as if to emphasize the final words that say—"...put out my hand, and touch the face of God."

## 'Airman's Prayer' Complete for You!

FEW WEEKS AGO -- the column put forth an effort inviting everyone to come along and "Let's Fly". The story was sprinkled with excerpts of verse from the famous airmen's prayer titled, "High Flight."

Since that time it has been most gratifying to receive the many phone calls, cards and notes from readers asking for more information about the Airman's Prayer. Basically, who wrote it, when and where did it originate and could they obtain a copy of the complete verse of the prayer.

So in answer to our many readers requests we have come up with the answers plus a full re-print (courtesy USAF Rec.

Ser.) of "High Flight" here in today's column so that any of our readers that desire to have a complete copy may just clip this column from today's presentation.

"High Flight" was written during the darkest hours of Great Britain in World War II. A young flying officer with the Royal Air Force composed it and it was some time before anyone really had ever heard it or knew about it.

Ironically, the poem which was to become world famous as the "Airman's Prayer" was finally published in a London newspaper... the day after its young author, John Gillespie Magee, Jr. was killed in aerial combat with the German Luftwaffe.

### HIGH FLIGHT

By John Gillespie Magee, Jr.

Oh, I have slipped the surly bonds of earth  
And danced the skies on laughter-silvered wings;  
Sunward I've climbed, and joined the tumbling mirth  
Of sun-split clouds--and done a hundred things  
You have not dreamed of--wheeled and soared and swung  
High in the sunlit silence. Hov'ring there,  
I've chased the shouting wind along, and flung  
My eager craft through footless halls of air.  
Up, up the long, delirious, burning blue  
I've topped the windswept heights with easy grace  
Where never lark, or even eagle flew.  
And, while with silent, lifting mind I've trod  
The high untrespassed sanctity of space,  
Put out my hand, and touched the face of God.

## Speakers Urge More Cooperation

WAYNE -- Speaking to over fifty participants at the dedication luncheons of the chapels of Annapolis and Outer Drive Hospitals this week, the Reverend Mr. Vernon E. Kuehn, Harper Hospital Chaplain, said he believed human beings are too complex and vast in their needs to be the special province of the medical profession alone.

"None of us, pastors, nurses or physicians," said Kuehn, "can handle or represent the total needs of mankind."

The Harper Hospital chaplain said that although he believed physicians have much to learn about the contributions clergy-men can make to the needs of patients, he pointed out that clergymen do not fully appreciate what they can do for doctors.

"Misunderstood and often maligned, the doctor faces his work completely alone," said Kuehn.

"The doctor needs us, too," he added.

The Board of Directors of the Peoples Community Hospital Authority and the Auxiliaries of Annapolis and Outer Drive Hospitals sponsored a joint physician-clergy-nurse conference on "The Spiritual Demands of Illness" in connection with this week's chapel dedications.

The dedications and conferences were attended by representatives of the PCHA Board, local clergy, physicians and the Auxiliary Chapel Committees.

Donald J. Pizzimenti, Chairman of the PCHA Board presented certificates of appreciation to members of these committees, as well as to local clergymen who worked with the auxiliaries and hospital administration in planning the chapels. Certificates were presented to:

Mrs. Alina Hardman, Chairman of Annapolis Hospital's Auxiliary Chapel Committee; Mrs. Freda Hanchon; Mrs. Lucille Hunchey; Mrs. Rhea Hillyard; Mrs. Grace Mills; and Mrs. Mary McCollum.

Similar certificates were awarded to Mrs. Walter Chase, Chairman of Outer Drive Hospital's Auxiliary Chapel Committee; Mrs. Julius Dazy; Mrs. Clair Lewis; Mrs. Jack Montgomery; Mrs. Dan O'Brien; Mrs. Elizabeth Seavitt; Mrs. Sophie Tomich; and Mrs. John Trumpour.

Clergymen receiving certificates included the Reverends Seth Balmer, Rudolph Boyce, Robert Dickson, Chester Hardy, John Hill, Jack Lancaster, Vincent Myers, Eldon Nelson, Edward Ralmer, Robert Roms, Raymond Sayers, and John Slater.

The Reverend Robert Rives and Ralph Turco were commended by Pizzimenti for their

leadership and activity on behalf of the PCHA chapels.

In response to Chaplain Kuehn's appeal for more aggressive dialogue between physician and clergy on behalf of the hospitalized patient, Karl S. Klicka, M.D., Executive Director of PCHA, said he saw in the conferences this week the seed for future similar meetings.

"If we know each other even better," said Klicka, "our patients cannot help but benefit."

## 'Sound of Youth' Open To All Areas

ROMULUS -- Robert E. Champagne, chairman of Romulus Jaycees' "Sound of Youth" contest March 25, reminds that all teenagers between 16 and 19 years of age in Wayne, Westland, Inkster, Romulus, Belleville and New Boston areas are eligible to participate.

"Sound of Youth, USA" is an amateur musical audition in which winners in three categories locally can advance to State competition in Flint in June and possibly on a 20-city performing tour across the United States in July and August.

Talent competition is for (1) male vocalist; (2) female vocalist; and (3) Groups of five members or less. Contestants must be amateurs and may obtain further information on entry from Champagne at 941-3687 or Chuck Caldwell, 941-0706.

Local auditions are scheduled from 6 to 10 p.m. Monday, March 25, at Romulus Junior High school gym. Entry fee is \$1 for each category entered.

## Gourds, Trees, Timely Tips Discussed By Garden Club

The Huron Valley Garden Club held its February meeting at the home of Mrs. Earl Bosteder. There were 14 members present.

Mrs. John Gras, Conservation Chairman, spoke to the group about trees. Some "see" a poem when they look at a tree, others, shade. There are those who mutilate trees thinking that "they are here to stay".

During the Question-Answer period, Mrs. Smith was joined by Mrs. Stephen Kuchta in giving answers. Helpful suggestions were: (1) Right now is the most critical time for the garden: snow has acted as an insulation, with it being mostly gone, plants are exposed to conditions that can kill them.

## Witten-Monks Nuptials Read At Episcopal Church

Trinity Episcopal Church, Belleville, was the setting February 10 for the double ring ceremony which united Susan Margaret Monks, of Belleville, and Tommy Witten, Jr., of Ypsilanti.

Rev. Robert MacDonald, presided at the eight o'clock candle-light ceremony before an altar graced with lighted tapers and bouquets of white mums and greenery.

Mrs. John De Mara at the organ played traditional wedding music for the occasion.

SUSAN, THE daughter of Mr. and Mrs. Arthur Monks, of 48750 Martz road, Belleville, walked to the altar with her father. She appeared in a bouffant gown of Chantilly lace styled with a scalloped neckline on the basque bodice. Her skirt of bombazine was accented by tiers of Chantilly lace at the

front with a detachable court train of lace and bombazine adding back interest.

Her veil of silk illusion cascaded to fingertip length from a rose of Chantilly and bombazine and she carried white carnations and tiny pink rose buds arranged in colonial fashion.

GOWNS OF American Beauty red were worn by the three attendants, Janet Warner, a cousin who was maid of honor; Dawn Borgman, and another cousin, Claudia Sullens, all of Belleville.

Fashioned of bonded crepe, their formal dresses featured rounded necklines, above-elbow sleeves, and lightly-gathered waistlines with bows for accent at the front.

The bridesmaids were matching roses edged with pink tulle and their colonial bouquets were of pink mums with trailing pink streamers.

The bridegroom, son of the senior Tommy Wittens, of 453 Woodlawn, Ypsilanti, asked his brother, R. J. Bates, of Interlochen, to be best man. Ushers were Kenneth Du Bord, of Ypsilanti; and John Monks, the bride's brother.

SOME 100 GUESTS gathered in the church parlor for the reception which followed. Mrs. Monks was in an aqua lace

jacket dress with a matching hat as she greeted friends and relatives. Mrs. Witten wore a white lace cage dress with a lace whimsy. Both mothers added corsages of white carnations and pink roses to their frocks.

On leaving for an undisclosed honeymoon, the new Mrs. Witten donned a two-piece pink wool suit with black accessories and added a corsage of pink rose buds and white carnations.

A graduate of Lincoln High School in 1966 and the Automation Institute, Ann Arbor, Susan is currently employed as a keypunch operator at C.P.H.A., in Ann Arbor.

Her husband, a Willow Run graduate of 1966, is an employee of the Ford Motor Company at Plymouth.

## ROMULUS PERSONALS

### Folks Off On Vacations -- Some To Sun; Others To Snow

By Pearl Morris  
WH 1-1187

Mr. and Mrs. George Stanton, of Ozga road, and her brother-in-law

and sister, Mr. and Mrs. Clifford Johns, of Lansing, left February 16 on a three week vacation trip to Florida. The two couples planned to visit relatives enroute and enjoy sight-seeing and camping. Remaining at the Stanton home are their son and daughter-in-law, Mr. and Mrs. Robert Stanton.

Chris Madej and Linda Bower, of Romulus; Helen and Mary Ann Magur, Karen Fitzgerald, Louise Clance, and Kathy Lacy, of Detroit, enjoyed a recent stay at Gray Rock Inn at St. Jovite La-Povince, Quebec, Canada. They made the trip together by train. At the Inn the girls went skiing four hours a day and had 35 hours of instruction. They each received a Snow Eagle Ski pin. Several of the aforementioned girls are office employees at the local Kelsey-Hayes Plant. The girls also spent a day at Mt. Tremblet Hotel on Mt. Laurentian.

Mr. and Mrs. Bill Krueger and family, of Romaine street, entertained at dinner on Sunday of last week Mr. and Mrs. Harry Jones and Mr. and Mrs. Maurice Tabernie and son, Randy, of Leslie, Michigan; also Mrs. Krueger's parents, Mr. and Mrs. Grant VanAernum, of Romulus avenue. Mrs. Jones and Mrs. VanAernum are sisters.

Pfc. Tim Nowland is spending a 17-day furlough at the home of his parents, Mr. and Mrs. Dan Nowland, of Willow road, New Boston. Tim has been in the U. S. Army for the past 10 months. Formerly stationed at Ft. Benning, Georgia, he expects to leave for two years overseas duty in Germany following his return.

MRS. DAVID L. WESTERMAN

## WILL RESIDE IN FLORIDA

# Barbara Fleszar Is February Bride Of Lt. D.L. Westerman

In a morning ceremony February 17 at St. Stephen's Catholic Church, Barbara A. Fleszar became the bride of Lt. David L. Westerman. The altar was appointed with arrangements of white gladioli and lighted tapers as Fr. Alexander J. Wyrtr read the double ring rite.

Mr. and Mrs. Anthony Fleszar, of 30551 King road, New Boston, are parents of the bride, while the bridegroom's parents are Mr. and Mrs. Lester Westerman, of 1044 N. Marion, Oak Park, Illinois.

HOLDING A NOSEGAY of white roses, Barbara was escorted to the sanctuary by her father. For her wedding day, she donned a toe-touching gown of ivory brocade accented by a court train which fell from a bow at the shoulders. Styling details on the A-line creation included a cowl neckline and bracelet sleeves banded in fur.

A crown, formed by flowers of bound lace embellished with hearts of pearls, clasped her ivory illusion veil which drifted to mid-back length.

THE BRIDE'S three attendants appeared in identical rust-colored A-line frocks fashioned with cowl necklines, formal skirts and elbow sleeves traced in ecru lace. Each carried a nosegay comprised of cymbidium orchids.

Mrs. Thomas Gabriel, of Carleton, was her sister's honor attendant, and Nancy Kreyger, of New Boston, and Elaine Cooper, of Utica, were bridesmaids.

The bridegroom asked his brother, Lester M. Westerman, of Arlington Heights, Illinois, to serve as best man. Others on the esquire side were the bride's brother, Anthony Fleszar, of New Boston, and Robert

Quist, of Milwaukee, Wisconsin.

THE CONTINENTAL Dining Inn at the Sheraton Motor Lodge, in Woodhaven, was reserved for the reception which was attended by some 80 guests. Mrs. Fleszar received in an aqua silk coat - dress ensemble trimmed with beads. A copper-colored silk jacket dress with beading was the choice of Mrs. Westerman for her son's wedding. Both mothers added corsages of white roses to their costumes.

The new Mrs. Westerman, prior to her marriage, was doing undergraduate work at the University of Michigan, where she earned her B.A. and A.M.L.S. degrees.

Lt. Westerman, also a graduate of the U.M., holds B.A. and M.A. degrees in English. He is currently in the Naval Air Program in Pensacola, Florida, where he and his wife will reside at 2007 E. Gadsden, until he completes his assignment.

## All Around The Town...

WITH LEE

BACK TO WINTER

THE EVERETT Van Hoys, of Hoeft road, returned Sunday evening from a 10-day trip, spent 'in the sun.' Jetting their way to Puerto Rico, they picked up their rented car at San Juan and went out each day for a first-hand look at the country. They crossed the Rio Grande at Loiza Aldea via pull-boat; drove down to El Yunque for a drive through the rain forest -- a 29,000 acre tract belonging to the government; and toured the College of Agriculture and Engineering at Mayaguez.

At the little fishing village of Parquera, they saw a magnificent night-time spectacle of jumping fish in the fluorescent bay -- the fish actually looking like little neon signs.

Traveling through coffee and tobacco country they enjoyed the lush greenness of the mountains and the many, many blossoming trees and flowering countryside.

You'd never know the area suffered from a water shortage, Mrs. Van Hoy told us, to look at the shirts and blouses worn by the natives. "They were the whitest white," she said, "that I've ever seen anywhere."

Before flying home they enjoyed a flight via beechcraft to St. Thomas where they signed up for a guided tour and then viewed the remainder of the Virgin Islands from the air.

## TWO VALENTINE 'SPECIALS'

TIMING TWO 'couples' activities to fall on and around Valentine's Day were the Belleville Kiwanis Club and the Belleville Junior Study Club.

Tuesday the Kiwanians played host to their wives at a 'ladies night' dinner program at Rogale's banquet room. Each of the 'girls' was presented with a corsage of white carnations with touches of red in the ribbon and trim and after dinner the group of about 60 enjoyed a program presented by Mrs. Olin Wyman. Her colorful slides showed the flowers from English gardens (taken during a trip to the British Isles) as well as the floral life of Mexico, the Western United States, and around Michigan.

THE JUNIOR Study Club did a turn-about by inviting their husbands -- 23 of 'em -- out for an evening at the Fisher Theater, in Detroit. With the dining room of Lodge Lanes as their gathering spot, the group of 52 traveled via chartered bus to their destination and the pre-Broadway musical, "George M.," based on the career of George M. Cohan.

Guests for the evening were Dr. and Mrs. Richard Muse, Dr. and Mrs. John McDermid, the Clark Coreys, and the Greig Chapmans.

## HERE 'N THERE

MRS. ETHEL Felt who recently spent two weeks in Wayne County General Hospital, is now in Tampa, Florida to spend the next two months with her sister, Mrs. Milan Batchelder. She made the trip with her aunt, Mrs. Gyde, of New Boston, and little grandson, Jimmie Walls. . . IF YOU missed last Tuesday night's 'Winter Concert' at Belleville High, you missed hearing Dick Hazzard's choral groups at their very best. From the Girls' Chorus to the Girls' Ensemble to the Concert Choir and down to the Mixed Ensemble, the selections were presented with feeling, zing, solemnity, sultriness, or humor -- as the composition's mood indicated. Gretchen Gollwitzer's 'radiant solo' for "Steam Heat" was one of the cute, surprise spots in the concert. And, too, Ed Downing's percussion group added a bit of instrumental flavor with their special arrangements. . . BRIDGE WAS the order of 'business' Sunday night at the home of John and Pat Touse who entertained their club at their home on Angola street. In keeping with the February holiday mood, Pat served a cherry cheese cake and used a Valentine theme in her tallies and table appointments. And even the guests for the evening, Don and Joan Valentine, helped carry out the motif. They subbed in the absence of Don and Avis White and competed against Jim and Pat Campbell, Ed and Joyce Downing, and their host and hostess. . . SPENDING THE winter in Florida with her son-in-law and daughter, Leonard and Julianna Hudge, Mrs. William Sietz observed her first birthday 'away from home' -- and her 85th at that! But adding to the special-ness of the occasion was the fact that two of her sons were visiting in Tarpon Springs on the day of her birthday, February 11. The Henry Sietz, of Willis road, and Joe Sietz, of Sumpter road, added their notes to 'Happy Birthday' along with the Hazen Kinnells, of nearby Clearwater, (former Bellevillites), and a few neighbors who were invited for the celebration.

## SCHOLARS, ALL

TALKING WITH Pat Ryback last week-end we learned that she and her family, (which totals five) literally have the educational steps covered from elementary to post graduate.

'Number Three Son', Kris, is at the elementary level -- a fifth grader at Edgemont; Tim is in the eighth grade at Belleville Junior High; Eric's a sophomore at Belleville High; Pat's a junior in undergraduate school at Eastern Michigan; and the man-of-the-house, Ernie, is studying for his master's degree in Political Science -- also at E.M.U.

It's not often one family can find its members at each of these phases and we thought it a 'happening' worth mentioning.

## SURPRISE IS THE WORD

MRS. BEULAH Shelton was completely surprised February 11 when, on her 76th birthday, she was honored with one of those hush-hush parties. Given at the home of her daughter, Mrs. Zelma S. Wilson, of Sumpter road, the guests were served a buffet dinner featuring roast beef, turkey, and ham catered by Janice Postell. A tiered cake of some 50 pounds and arrangements of roses and mums centered the main table.

Mrs. Shelton, who is very active and enjoys her home and garden at 43141 Judd road, is the widow of the late Isham N. Shelton Sr., who died in 1962. Shortly after his death Mrs. Shelton moved from Bessemer, Alabama to Michigan where five of her nine children reside; Mrs. Zelma S. Wilson, of Carleton; Mrs. Willie Clark, of Detroit; Isham M. Shelton, Jr., of Detroit; Mrs. Barbara J. Johnson, of Belleville; and Mrs. Andrew W. Shelton, of Detroit.

## MISS SCHLOUGH Schloughs Announce Engagement

Mr. and Mrs. Glen L. Schlough, of 50234 Ecorse road, Belleville, announce the engagement of their daughter, Margaret, to Joseph F. West, son of Mrs. Mary M. West, of Oregon, Ohio.

Miss Schlough, a graduate of Belleville High School, is currently employed at Commission of Professional and Hospital Activities in IBM, at Ann Arbor. Her fiancé was just recently discharged from the U.S. Navy. No date has been set for the wedding.

MR. AND MRS. ALFRED W. HURD

## Former Belleville Couple Mark 50th Year In Florida

Former residents of Belleville, Mr. and Mrs. Alfred W. Hurd, will observe their golden wedding day next Tuesday, February 27, at their home in Brooksville, Florida.

Alfred William Hurd, who was born and raised in Belleville, served in World War I; is Past Commander of American Legion Post 132, Belleville; and retired in 1962 from the Bonded Guard Service. He married Charlotte Belle De Port in Detroit Feb. 27, 1918, and they lived for 32 years at 16611 Martinsville road before moving to Florida.

Their 10 children are Mrs. Leo (Ila) Humbarger, Mrs. Harold (Jean) Humbarger, Douglas Hurd, Jay Hurd, Charles Hurd, Kenneth Hurd, Mrs. Roscoe (Eleanor) Humbarger, Mrs. Alvie (Gertha) Covell, Harold Hurd, and Alfred D. Hurd. There are also 40 grandchildren and 14 great grandchildren on their family tree.

Their present address is 869 W. Ft. Dade avenue, Brooksville, Florida, 33512.

The singing colors of today's carpet, upholstery and drapery fabrics demand a quiet background -- but never a "blah" wall. For rich texture and warm shadings of color, cover walls with straight-grained solid board paneling.

## Linda Poet Named Top Student

NEW BOSTON - Linda Poet has been chosen as the outstanding student for the month of February at Huron Senior High.

Linda involves herself in many interesting and worthwhile activities.

She is president of the Bach- elors Club; Vice President of the Thesbian Club; Band President; Head Majorette; a member of the yearbook layout staff, newspaper staff, Future Teachers Association, Pep Club and was selected Band Queen.

The daughter of Mr. and Mrs. Thomas Poet, Linda lives at 36920 Huron River drive, New Boston.

## MRS. SMITH RE-ELECTED Annual Election Held By Woman's Study Club

Wednesday evening, February 14, Mrs. Thurston Jahr, of Harmony lane, was hostess to 19 members and one guest of the Woman's Study Club.

Mrs. Rodney Mast was welcomed into membership by president, Mrs. Royce Smith. Mrs. Irving Wallace, vice-president, presided at the business meeting with Mrs. Cleveland Roe acting as secretary for Mrs. Eby Gault.

The annual election resulted in the following officers for the 1968-69 club year: president, Mrs. Royce Smith; vice-president, Mrs. Donald Wright; recording secretary, Mrs. Eby Gault; corresponding secretary, Mrs. Emma Stevens; and treasurer, Mrs. Chauncey Schweigert.

THE PROGRAM for the evening, "What Makes a Good Picture," was presented by Douglas Brown, assistant principal at Belleville High School. For many years, Mr. Brown has studied and experimented to improve his hobby of photography. He showed slides while explaining some fine techniques

and fundamentals of good picture-taking.

Fetters were later served by co-hostesses Mrs. Alton Amerman and Mrs. Louis Marks.

On February 28, the club will meet with Mrs. Olin Wyman to hear a program on "Grooming for Women Over 40."

## Museum Starts New Film Series

DEARBORN -- When you have a Laurel and Hardy comedy you have fun. But when you have five of them you have a festival.

That's the case for the next two weekends at the Henry Ford Museum.

The Museum's Laurel and Hardy Festival actually began on Feb. 18 with an illustrated talk about the laugh-provoking pair by Dr. John McCabe, author of the book, "Mr. Laurel and Mr. Hardy."

Sunday at 2:00 and 4:00 p.m. the Festival continues with three features by the comedy team followed by two more on Mar. 3.

The three-part bill for Feb. 25 includes a 1928 silent epic and two talking pictures made in 1930. "The Finishing Touch" comes on quietly, and then the volume goes up on "Brats" and "The Laurel and Hardy Murder Case."

A silent, "Big Business," and a talkie, "Blockheads," come to the screen on Mar. 3. The Laurel and Hardy Festival launches the Spring series in the Museum's continuing "Famous Early Movie" program. Admission to those early movies is included in the regular charge for visiting all of the collections within that vast showcase of Americana.

## Marge Emerson Is Speaker At February Home Arts

Forty-one members and five guests were present for the February 12 meeting of the Home Arts Club. Introduced during roll call were Gloria Jahner, Roberta Cullin, Ruth Polard, Gerry Kelly, Shirley Hammond, and Eleanor Bastedo.

In the absence of president Helen Mosora, Eunice Kause conducted the business portion and then turned the meeting over to Pat Touse of the program committee who presented Mrs. Marge Emerson, teacher of the Home and Family course at Belleville High School.

## Used Books Needed For AAUW Sale

Used books are being collected by the Ypsilanti Branch of the American Association of University Women for its 11th annual Used Book sale to be held March 6 and 7. Proceeds from the event will go to the national AAUW fellowship program and in the Ypsilanti Branch's scholarship for a senior woman student at Eastern Michigan University.

Books of all kinds are needed -- including paperbacks, special interest magazines, and phonograph records. Donations may be left at the garage of Mrs. George Bower, 219 Oakwood, or pick-up can be arranged by calling Mrs. John Olariu, 482-8770.

# Huron Schools New Vocational Cooperative Program Described

NEW BOSTON -- The new vocational co-operative program in the Huron Schools is a far cry from the little red school house.

Students enrolled at Huron can build a two story colonial home, learn arc welding, develop skills in machine trades and repair and service automobiles.

According to Donald Leverenz, director, 46 Huron students are currently taking advantage of the opportunities available in the Area Vocational Education

offered by Huron, Flat Rock, Gibraltar and Grosse Ile School Districts.

The welding class at Flat Rock has six Huron students; the Technical Drawing class, two. At Carlson High School in Gibraltar Huron has four people enrolled in Carpentry classes.

HURON HIGH School contributes its share by teaching Machine Trades, David Smith, instructor and auto mechanics, Dennis Jacobson, instructor, to Huron's own students and many from Flat Rock High School. Bus transportation between the four schools enables the students to commute to their

various classes.

The entire program of the four schools includes, in addition to Huron's Machine Trades and Auto Mechanics, Welding, Technical Drawing, Co-operative Training and Key Punch Business Machines at Flat Rock High.

Language, Advanced Placement English, Matrix Algebra, Statistics, Financial Math and Introduction to Analysis.

Carlson High in Gibraltar teaches Auto Mechanics, Carpentry, Advanced typing and Transcription, Machine Trades, Food Services, Retail-

ing - Distributive Education and Electronics.

PROJECTED for the near future are a Graphic Arts course at Huron and a full course in Cosmetology at Flat Rock. The Cosmetology course is a two year program covering the 1200 hours necessary for students to meet the state licensing requirements for a beautician. The complete course will include hair-styling, manicuring, and beauty shop management.

The Food Services program will give on-the-job training as a cook, baker, server, or waitress. They will cater lunches and dinners. At the

## Hearing is Scheduled

ROMULUS--A public hearing on a proposed amendment to the Romulus Township Zoning Ordinance will be held before the Romulus Planning Commission Feb. 28, at 8 p.m. in the Romulus Township Hall, Goddard Road and Sterling.

## TOWNSHIP OF SUMPTER ORDINANCE NO. 19

### LIQUOR CONTROL ENFORCEMENT ORDINANCE

AN ORDINANCE to Authorize Enforcement by the Township of Sumpter of the Michigan Liquor Control Act.

IT IS HEREBY ORDAINED by the Township Board of the Township of Sumpter, Wayne County, Michigan:

Section 1. TITLE.  
This Ordinance shall be known as the Township of Sumpter Liquor Control Enforcement Ordinance.

Section 2. PURPOSE.  
The purpose of this Ordinance is to secure the public peace, health, and safety of the residents of the Township of Sumpter by proper enforcement of the Michigan Liquor Control Act.

Section 3. ENFORCEMENT OF THE MICHIGAN LIQUOR CONTROL ACT (PUBLIC ACT 8 of 1933, AS AMENDED).  
To secure the enforcement of the Michigan Liquor Control Act a liquor control enforcement department is hereby established with full power, and authority, to see that the provisions of the said Act, and the rules and regulations of the Michigan Liquor Control Commission, are enforced within the said Township. Such department shall consist of such personnel as the Township Board may appoint, or the duties imposed under this Ordinance may be delegated, by resolution of the Township Board, to the Township Police Department.

Section 4. INSPECTION.  
The said liquor control enforcement department shall make inspections at reasonable intervals of all establishments within the township licensed under the Michigan Liquor Control Act for the purpose of securing compliance with the said act and the rules and regulations of the Michigan Liquor Control Commission. Persons authorized to make inspection under this Ordinance shall be furnished identification as township liquor control inspectors, provided, however, that if the duties of enforcement are delegated to the Township Police Department any uniformed member of the said department shall require no further identification other than as a police officer.

Section 5. APPROPRIATION.  
For the specific purpose of carrying out the provisions of this Ordinance the Township Board is authorized and directed to appropriate a sum of money not less than 85% of the amount of the retailers license fees paid to the State of Michigan from within the Township of Sumpter, annually.

Section 6. PENALTIES.  
Any person or licensee who shall violate any of the provisions of the Michigan Liquor Control Act or the rules and regulations promulgated thereunder shall be guilty of a misdemeanor, punishable by imprisonment in the county jail for not more than 90 days or by a fine of not more than \$100.00, or both, in the discretion of the court. Each day that a violation exists shall constitute a separate offense.

Section 7. EFFECTIVE DATE.  
This Ordinance is hereby declared to have been adopted by the Township Board of the Township of Sumpter, Wayne County, Michigan, at a regular meeting thereof held on the 13th day of February, 1968, and ordered to be given publication in the manner prescribed by law, and shall take effect upon the expiration of thirty (30) days from the date of publication.

## AT JUNIOR HIGH Seventh Grade Spies Caught on Assignment

BELLEVILLE -- Spying! Seventh grade science students under the direction of William Loyd, at Belleville Junior High School are spying.

Using one of the oldest tools, with modern advancements, the science students are spying on a seldom seen community of Belleville, in the classroom.

Four of the students, Barbara Bies, Brenda Cox, Wade Eadie, and Phillip Martin, single handedly captured a few residents of this community and brought them in to school for the rest of the class to observe.

"Hey! Look at this!", "This one is green!", "...is red!", "I've got one that is moving!", "Mine is running around in circles!", "This one looks like a balloon with a string!", "Hey! I can see the nucleus in this one!", "I found an amoeba!"...

THE STUDENTS are spying on the invisible community of micro-organisms while learning how to use the biologist's basic tool, the microscope.

These one-celled plants and animals are found in tremendous quantities in lakes, streams, ponds, and even in old rainwater puddles.

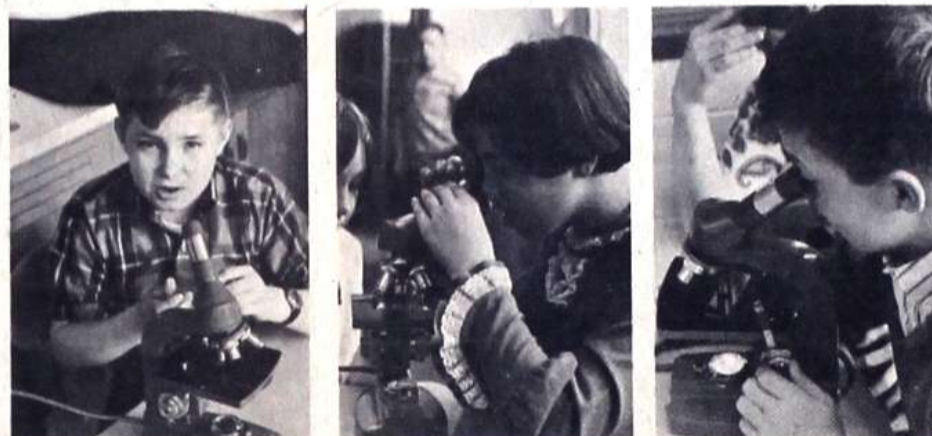

These tiny organisms serve many purposes. They are the basis of the food chain in our waters. In the case of one of the largest animals in the world, the whalebone whale, lives strictly on microscopic animals.

Some of these organisms give color to our lakes and ponds, greens, browns and reds. They also give our waters their bitter tastes.

While studying the micro-scope, throughout the first part of the spring term, the students will be spying on many living things, even the cells in-side our own body!

BELLEVILLE JUNIOR HIGH STUDENTS caught spying while in the classroom-- Seventh Grade Science Room that is .. Left to right are Jane Zimmerman, Kathy Chen and Pam Smith. All agreed that "team spying is fun."

THE BASIC TOOL---Leonard Mroz (left) shown using the basic tool of the biolo-gist--the microscope. Other students engrossed in "this facinating fun" are Cindy Spencer (center) and Ron Hink, all three are in 7F.

## Two Area Soldiers Promoted

BELLEVILLE -- John W. Wilkerson and Robert G. Hoeft, were promoted to Army private's pay grade E-2 upon com-pletion of basic combat train-ing at Ft. Knox, Ky.

The promotions were awarded two months earlier than is cus-tomary under an Army policy providing incentive for out-standing trainees.

Wilkerson, 20, is the son of Mr. and Mrs. Robert W. Wilk-erson, 47064 Ayres. His wife, Dorothy, lives at 51010 Old Michigan Ave.

Hoeft, 20, is the son of Mr. and Mrs. Robert W. Hoeft, 133 Wabash.

## Survey Started By Belleville Church

BELLEVILLE -- Seventh-day Adventist church of Belleville has organized a group of vol-unteers to take a christian sur-vey in the areas of Belleville, Wayne, Ypsilanti and Plymouth, Pastor William K. Dennis, an-nounced. The church serves these areas. The survey offi-cially started Feb. 19.

Pastor Dennis says there is a decided trend away from primitive christianity and he feels that something should be done to correct this growing evil.

The pastor defines primitive christianity as basic neighbor-liness and a demonstration of love for our fellowmen. He stated further there is also a great need to answer the ques-tions of thinking men and women everywhere concerning the prophecies relative to our pres-ent world conditions. Ninety-five percent of all prophecies relative to the Last Days have been already fulfilled.

IN VIEW of these pressing issues, Rev. Dennis will con-duct a weekly discussion group where anyone may ask ques-tions and receive answers to

## Faust's Bill Places DWS Under State

A bill to place the Detroit Water System under the State Public Service Commission has been introduced in the Michigan Senate by State Senator William Faust (D-13th).

The bill, requested by many governmental leaders in the suburban area, would prevent Detroit from arbitrarily rais-ing water service rates.

Regulation of the Detroit Water System would be admin-istered by a State Agency.

"Last summer, Faust said, "Detroit raised rates to every community in the 13th District without warning and without hearing. Under the present circumstances, those communi-ties purchasing water from the Detroit Water System have no say to what their charges will be."

Faust's bill was introduced as a companion to one proposed earlier by Senator Robert Huber of Troy.

## Hot water costs less with Gas.

Today you need more hot water than ever before. And you can have it. All the hot water you want. Oceans of it. Hot as you like it. For just pennies a day with Gas.

Only Gas gives you so much hot water for so little. Saves dollars over electricity. In fact, a Gas water heater turns out more hot water in one day than an electric one twice its size.

So, if you've been running short of hot water at your house, check into the new fast-action Gas water heaters at your plumber's or your plumbing and heating dealer's. Or, if you wish, call us. You can have all the hot water you want for less than you'd imagine.

Gas makes the big difference . . . costs less too!

## ROMULUS DONS SPOILER'S ROBES

TEAM	Won	Lost
River Rouge	8	0

Romulus	4	4
Willow Run	3	5
Hamtramck	2	6
Monroe CC	1	7

River Rouge got some unexpected help from Larry Smith and Romulus Friday night as Smith grabbed a pass from

teammate Mike Woods with ten seconds on the clock and drove in for a layup to lift the Eagles to a 74-73 victory over Ecorse. The win assured Rouge, which trounced Hamtramck for its eighth consecutive conference victory, with at least a share of the Twin Valley Conference title.

Romulus, out of the picture with a 4-4 third place record,

can help the Raiders this week by snapping Rouge's streak. If coach Al Duva's boys stop Rouge's title express, then Ecorse will get a final crack at the Panthers and the title a week from Friday.

"I think we can beat them on our home court," said Duva, commenting upon his team's chances Friday night. "They're tough, no doubt about it, but in

this league they're all tough including our boys."

Coach Duva, however, may have to find a replacement for Nolan Street, a starting forward and one of the team's leading scorers. Street was injured in the closing minutes of the second period going up for a dog shot.

He supplied Romulus with 12 of his 16 points in the first half and gave the Eagles the initiative in the opening two periods. The Eagles held on to an 18-14

first quarter and stayed out in front 37-34 at halftime.

Ecorse came back to outshoot the Eagles 20-14 to move to a 54-51 margin at the end of the third quarter.

Woods and Smith took over where Street left off with the former drilling in nine points in the last period and picking off the final rebound which led to Smith's winning basket.

Woods hit on six baskets and seven free throws (half of his team's output) for 19 points

while Smith finished up with one less for 18 on eight field goals and two free throws.

Mike Harding was also in double figures with 13 points.

The game's high, however, went to Dan Hague who drilled in 11 from the field and added six more from the free throw lines for 28. Dennis Smith supported him with 19 points.

At the foul line Ecorse turned in 11 of 15 for the night while the Eagles sank 14 for 26.

SECOND TIME around wasn't sweet for Belleville's cagers. The Tigers, who lost to Plymouth in the first round 76-58 (above), fell again to the Rocks, 66-55, Friday night. The loss, Belleville sixth in eight league starts, ousted the Tigers from fourth place and moved them into a two-way tie with Allen Park for fifth in the Suburban Six Conference.

Allen Park	2	6

There's something about Belleville which brings the best out of Plymouth's cagers. The Rocks did it again. Plymouth, with a third period rally, claimed a 66-55 Suburban Six Conference decision from coach Larry Hulce's boys which enabled them to climb into fourth place and shoved the Tigers into a two-way tie with Allen Park for fifth.

In their first encounter, Plymouth emerged on top of a 76-58 victory.

Plymouth, getting four of five players in double figures, nipp-

ed Belleville 15-13 at the end of the first period but the Tigers rallied around Wilson Boone who drilled in 12 of his 23 points in the second period to lead his team to a 33-27 halftime edge.

Belleville went sour after returning to the court in the third period.

Plymouth, making good use of Mike Stakias' seven points and Mike Kubik's six points, erased the deficit to go ahead by six, 46-40, at the end of the third frame and maintained an uncomfortable lead in the finale.

Boone hit on eight field goals and seven from the foul line for 23 to lead the scorers for the night. Teammate John Gasdolo, with 10, was the only other Belleville player to manage double figures.

## Huron Goes on Scoring Rampage

TEAM	Won	Lost
Mason	4	1
Huron	3	2
Carlson	2	3
Jefferson	1	4

It was snowing outside Huron High Friday night but it was raining baskets inside the gym as the Chiefs went on a record setting spree to overpower Carlson, 99-72, to win their third Lake Shore Conference match and move into one game

of reaching the leader, Mason. Huron, the perennial doormat of the league, is presently 3-2 for the league and 11-5 for the season. If Mason should lose to Carlson and Huron disposes of Jefferson Friday night, then the school will have its first basketball championship team.

The Chiefs got off to a slow start and trailed Carlson by three, 23-20 in the first period, but seven points each by Mark Patterson and Ron Edmonds and eight points from 6-7 sophomore Rick Wasilewski in the second period, moved coach Dave Court's team to a 46-31 halftime advantage.

Edmonds teamed up with Jim Inman to pump in 18 of their team's 26 points to spark Huron to a 76-49 third period edge.

The Chiefs were never in any danger after intermission.

### SET FOR SATURDAY AT GCW

## Tigers Seek Individual Honors at WW Swim Meet

Ready or not, Belleville tankers and coach Bill Brandell will plunge into the Western Wayne Swim Meet to be held at Garden City West High on Saturday,

Feb. 24. "We have little hope of finishing first," said coach Brandell. "We will have, however, several good individuals at the

meet who are very reliable and could surprise the favorites. "Our team is basically a young one and we're not looking for any miracles" Brandell said.

The meet, sponsored by the Associated Newspapers, will begin with the preliminaries at 1 p.m. The finals will be held in the evening beginning at 7 p.m. Trophies will be awarded to the winning team and coach with swimmers who finish in the top six events in each of the individual events being presented.

Since West's swim gallery can accommodate only 450 fans, students and parents are urged to get to the meet early. A record field of nine area high schools will take part in the competition.

Tickets for the prelims are 25 cents and 50 cents for students and adults, respectively, and 50 cents and \$1 for the finals.

Tuning up for the meet Belleville thrashed nonleague rival, Ypsilanti, 59-46, while the Tigers fell 68-37 to Plymouth in the Suburban Six Conference.

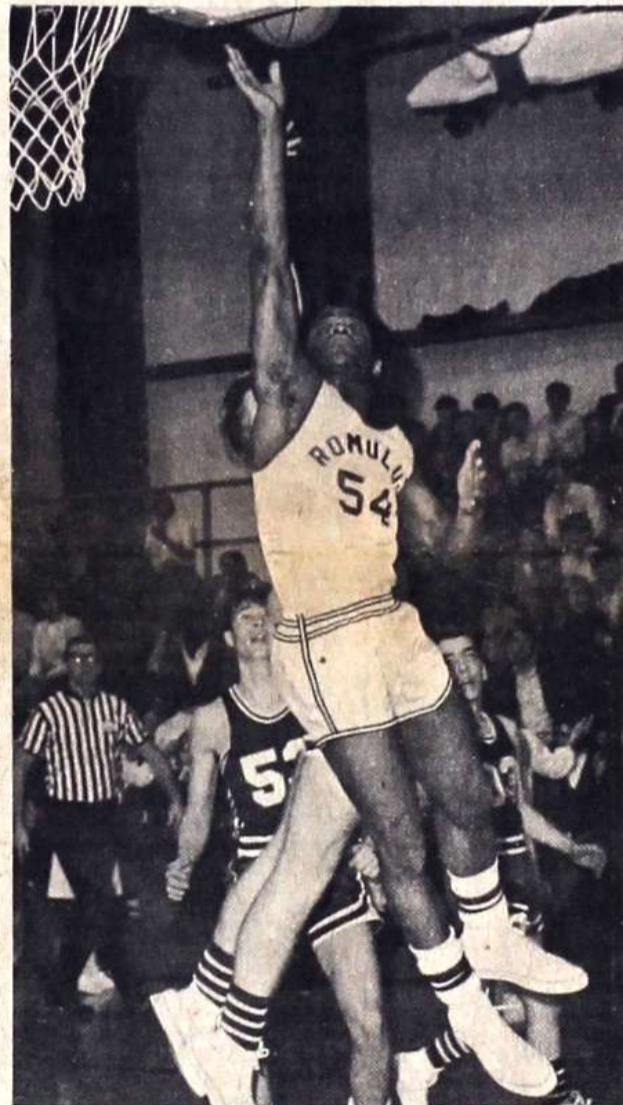

Against Ypsi, Brandell received a double victory from Chet Meyer who won both the 200 and 400 freestyle races in 2:10.9 and 4:44.5, respectively. Jeff Archer added the 50 freestyle in a 24.6 effort while Phil Barr was the top 200 individual medley performer when he finished with a 2:29.1

On the diving boards, Sid Beavers' 40.9 earned a first place and Gene Wertz's 1:09.3 in the 100 yard backstroke was good enough for another Tiger first.

Of the three first places Belleville managed against Plymouth, two were accorded to Archer. He swam a 2:00.5 in the 200 freestyle and a 4:36.3 in the 400 yard freestyle.

Beavers had his best night on the boards this season, tallied 54.7 to win again.

Belleville has three more dual meets remaining on its schedule before heading for the League Meet. On Thursday the Tigers will host Redford Union and on Tuesday they'll clash with Ann Arbor Huron before wrapping it up a week from Thursday at Livonia Bentley.

'THE SPOILERS'--Romulus, out of the Twin Valley title picture, will be out to spoil River Rouge's eight game conference winning streak Friday night when the two-arch cage rivals clash. Coach Al Duva's Eagles spoiled Ecorse's hopes of catching up with the league leaders, tumbling back the Raiders, 74-73, to hand Ecorse its second league setback. One of Romulus' "spoilers" is guard Mike Woods (driving in for layup) who pumped in 19 points to lead his team to its fourth league win of the season.

## Romulus Pins Southgate

In what was probably the shortest wrestling bout in the history of their school, Romulus grapplers spent approximately 40 minutes on the mats to work up a 43-15 nonleague victory over Southgate.

It was Romulus' fourth consecutive win and their sixth victory of the current campaign.

Except for the 95-pound class where Romulus' Greg Stephens whipped Tim Queen, 14-0, the following 11 matches were five point verdicts. In the 103, the Eagles received five points when Louis Donald was left standing on the mats without a rival.

Then Ken Welch pinned his 112-pound adversary to give the Eagles a 13-0 edge.

Southgate got on the scoreboard when its 120-pound representative, Ken Dobson floored George Doyle in a fast 36 seconds. But the Eagles answered with Ralph Logan defeating Louis Tessler in 1:41. Melvin Cross won on a 2:11 fall over John Sullivan.

The Sabers got their second win as Clint Queen pinned Russell Reame in the 138 pound class. That bout finished in the third period and they cashed in on the 145 pound category where John Krumpke collected the final five point Saber victory when he floored Dave Brown.

Romulus fought back with Chuck Klein's 35 seconds victory over George Wendt (154) and Bronson Bell's victory over Dave Jenkins in the 165. That match lasted 2:58.

John Stanek trounced Dennis Prickett in 1:24 for the 180 class win while heavyweight Nate Williams remained undefeated as he floored Barry Hill in 3:52.

Stephens, only a freshman, is presently 17-3 for the season while Logan has accumulated an awesome 15-0 record in the 127 pound class for the year.

Earlier in the week, coach Jim Stallings' boys disposed

## Hold Little League Grid Talks Today

There is Little League football competition in Belleville's future.

A franchise, which includes the formation of freshman, junior and varsity teams, has been granted last week by the All-American League.

It is the first attempt to organize competition on the Little League level in the area. Teams have been playing Little League football in Dearborn, Dearborn Heights, Grosse Pointe, Garden City, Hazel Park and other areas.

A meeting is scheduled for tonight at 7:30 at Belleville High to discuss the formation of the teams which will be called the Cougars. Boys, eight through 12 years of age are eligible to participate.

John Smith, commissioner of the All-American Little League Football Association, will be on hand at tonight's meeting to discuss the league and answer questions.

President of the local franchise is Edward Gielinski.

### Cage Coaches Have Their Day

Now let's turn this column over to some of the area high school basketball coaches and listen to what they have to say about officials, the game, and the rules, after all, they're the ones who have to take what the refs dish out week after week.

"They took a part of basketball away when they enforced the 'no dunk' rule," says Chris Babler, of Garden City West High. "We needed it as an impetus for players to get up into the air."

To dunk or not to dunk is important but more vital is the importance of letting the coaches decide on vital rule changes - not by a rules' committee but by direct vote, added the West coach.

And most coaches agree that there isn't any uniformity in officiating nowadays.

"When a prep cage team goes out to play," says Billy Joe Young, of Garden City East, "it has no idea of what it can or can not do in getting rebound position, screening or blocking because one official will let you get away with a lot while another will call the slightest infraction."

"Both can't be right," said the East coach. "I am forced, therefore, to tell my kids to adjust to the officiating and play over it."

Larry Hulce, Belleville's head coach, offers this solution to iron out the inconsistencies.

"Why not a pre-cage season workshop for the refs?" he asks. "A workshop which is mandatory for anyone who wants to ref that season. This would," he said "eliminate most of the problems."

Compulsory clinics are also defended by Joe LaScola who's gotten up from the bench and sat down more times than the swallows returning to Capistrano.

"Anyone, it appears can become a ref nowadays," said the Cherry Hill coach. "And we're getting quantity on the courts but not quality and something must be done about it."

Officiating, according to Inkster High coach, George Thompson Jr., is so inconsistent that it has reached the point of

## Van Buren Township Board Minutes

REGULAR MEETING  
JANUARY 9, 1968

Meeting opened with the Pledge of Allegiance to the Flag.

Meeting was called to order by Supervisor Toth at 8:00 P.M. Board members present were: Toth, Birk, VanDeCar, Maton, Stoelton, Hogan and Payne. Also present was Attorney Hopson and 2 citizens.

Motion by Stoelton, support Maton, to accept as read the minutes of December 26, 1967. Carried unanimously.

A correspondence from the State Tax Commission was read, refusing a previous request from the Township Board to appear at a meeting to explain the State Equalization on the tax bills and how the factor of 1.43 was determined. There was some discussion on the letter as to the Tax Commission not being very courteous in their refusal. Motion by Stoelton, support VanDeCar, for the Clerk to draft another letter asking for some explanation as to the 1.43 factor so we may present same to the taxpayers. Carried unanimously.

Motion by Stoelton, support Hogan, to approve the following raises for Township elected officials for the coming fiscal year. Supervisor from \$10,500 to \$12,500, Clerk from \$8,500 to \$10,500, Treasurer from \$7,500 to \$8,500, Trustees from \$1,200 to \$1,500. Carried unanimously.

Motion by Hogan, Support Stoelton, to accept the Water Dept., Building Dept. and Treasurer's reports as presented. Carried.

Motion by Stoelton, support Birk, to accept the Fire Dept. No. 1 report of 5 fire calls for a payroll of \$421.00 as presented. Carried.

Motion by VanDeCar, support Birk, to pay the bills as per vouchers. Carried.

Motion duly made, supported and carried, the meeting adjourned at 8:55 P.M.

Respectfully submitted,  
Erma J. Payne, Clerk  
Van Buren Township  
Accepted as presented  
Date: Jan. 23, 1968

MINUTES OF THE  
VAN BUREN TOWNSHIP  
BOARD REGULAR MEETING  
AND BUDGET HEARING  
2nd PHASE  
JANUARY 23, 1968

Meeting opened with the Pledge of Allegiance to the Flag.

Supervisor Toth called the meeting to order at 8:00 P.M. Board members present were: Toth, Birk, Stoelton, Hogan, VanDeCar, Maton and Payne.

Motion by Hogan, support Stoelton, to approve as presented the minutes of January 9 regular meeting. Carried.

Correspondences were read, acknowledged and filed. Motion by VanDeCar, support Birk, to refer to Attorney Hopson a letter from Wayne County Health Dept. pertaining to rabies vaccination of dogs, so he may make a supplement to the Township dog ordinance. Carried.

Motion by Stoelton, support Hogan, to send letters to Senator Faust and Representative Mahalak urging them to support an amendment to the gas and weight tax bill concerning the distribution of funds. Carried unanimously.

Motion by Maton, support Payne, to accept, as presented, the Second Phase of the Budget which pertained to the Fire Dept., Police Dept., Public Works, Roads and Lighting. Roll call vote was taken and carried

unanimously.

Motion by Hogan, support VanDeCar, to send a letter to Mr. Morley, of Wayne County Bureau of Taxation, asking him to attend the board meeting of February 13, 1968 to explain a residential sales study that was presented by the Bureau. Carried.

Motion by Stoelton, support Hogan, to authorize Wayne County Road Commission to pay from the sewer construction funds, construction estimates as presented, but to hold payment until he has paid a sizable damage claim against him. Roll call vote was taken and carried unanimously.

Motion by Hogan, support VanDeCar, to authorize Supervisor Toth to spend up to \$1,500 if needed to clean the Randolph Drain south of the I-94 Service Drive. Roll call vote was taken and carried.

Motion by VanDeCar, support Birk, to waive the building permit fee for a church on Edgemont St. Carried.

Motion by Payne, support Maton, to accept the recommendation of the Planning Commission and zone from M-1 (Light Industrial) to M-2 (Heavy Industrial) approximately 200 acres north of Savage Road owned by Norfolk and Western Railroad. Roll call vote was taken and carried unanimously.

Supervisor Toth opened the meeting for discussion with some 40 residents pertaining to the proposed rezoning of the McMullan property.

Mr. Borst, President of the Civic Association, said for the record he would see that petitions were circulated if the rezoning occurred so that the zoning would go to referendum.

There were many more interesting questions and answers. After a lengthy discussion, a motion was made by Stoelton, supported by Hogan, to accept the recommendation of the Planning Commission and re-zone from R-1B (Single Family) to R-M (Multiple Family) the 147 acres of the McMullan property. Roll call vote was taken and carried. Maton abstained.

Motion by VanDeCar, support Stoelton, to pay the bills as per voucher. Carried unanimously.

Motion duly made, supported and carried, the meeting adjourned at 10:25 P.M.

Respectfully submitted,  
Erma J. Payne, Clerk  
Accepted as presented

turned in with a nine for 13 night.

Stakias' 16 led the Rocks. He had one more than Kubik who drilled in six from the court and three free throws while Gregg Corrigan added 14 and Jeff Adams bagged 11.

Plymouth had 32 chances at the foul line and realized 16 of them.

Belleville will travel to Redford Union Friday night to try to avenge a 91-88 overtime loss it sustained in the first round. R.U. is presently in third place with a 4-4 record.

Livonia Bentley retained the Suburban Six crown, winning its eighth straight conference game of the season last week. With two games left on the league agenda, it's impossible for second place Trenton, which has a 5-3 record, to catch up with the leaders.

The 1965-66 Wayne State University basketball team set a school record by hitting on .422 per cent of their field goal attempts.

Carlson couldn't stop the fast-moving guards as they drove in for 12 baskets each.

Wasilewski again proved too much for Carlson on the boards. The 6-7 pivotman hauled in 22 rebounds and cashed in on seven baskets and four free throws for 18 points. Patterson also strolled off the floor with double figures. He had 13.

Carlson, now in third place with a 2-3 record, was led by Dick Baker who sank 21 points while teammate Paul Montroy added 13.

Huron's Junior Varsity squad kept pace with the Varsity, winning their 11th in 15 starts, 64-52, at the expense of Carlson. Thel Dregansky pumped in 20 points to top the field of scorers while teammates Joel Richert and Larry Goodman chipped in 13 and 10 points, respectively for the Chiefs.

(continued from page 11)

being ridiculous.

"It's getting out of hand," said Thompson. "And it's up to the state high school athletic association to do something about it. We get so many philosophers out there that it's getting difficult to play basketball."

Thompson suggested that a state lottery, where refs would be designated by a state organized commission, would solve some of the problems.

Coach Dave Court is having problems with "Carpbaggers" from Ohio.

These guys come in from Ohio to ref games in southern Michigan and it's not enough for his players who have to adjust to Michigan refs now the teams in that area must put up with those from Ohio.

The inconsistency in officiating basketball games is one that Wayne Memorial coach, Doug Myers has had to put up with also. He supports a clinic or workshop where these men with the whistles can go.

"In order to maintain and better the caliber of basketball," said Myers, "we must get better officials."

"Most of the men do their job, but some of them get out there and it hurts to see what they can do to your game."

Not only do some of the refs irritate coach Chris Theodore at John Glenn, but some of the rules.

And one of those is the deliberate foul.

Since it's up to the ref to determine if a player deliberately committed a foul or not, which would entitle the opponent to two foul shots, he would prefer an option rule where a team could take the ball out of bounds instead of shooting the foul.

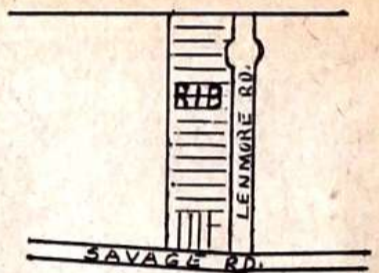

Theodore didn't want to comment on the brand of officiating he was getting at the games - he did, however, mention that almost anyone who filled out an application blank and a \$5 check could become a ref.

What most of these coaches were saying, therefore is something must be done in order to maintain a respect between player-coach and officials; that rules, major ones, should not be tossed about in committee, that they should be tossed at the coaches for a vote; that a clinic, workshop or what ever you want to call them, be set up before the season and officials get into shape before the season and not at the expense of the season; and that a more rigid control be placed upon applicants for officiating in the state.

For, believe it not, even a guy like myself can become a full-pledged ref.

## NEW BOSTON EVENTS

# Youngsters In The News As They Celebrate Birthdays

By  
Mrs. William Havenstein  
753-3801

Saturday, February 17, was a big day for three birthday celebrants in the New Boston area. Becky Bowman celebrated her 11th birthday with several of her classmates, friends and relatives, at an afternoon party at her home on King road. Games and refreshments of sloppy joes, cake and ice cream were enjoyed by the guests.

Also celebrating her 11th birthday on February 17 was Barbara Jaddatz, of Middlebelt road. Joining her for games and refreshments were friends, Kay Mittlestat, Shirley Wilman, Nora Roberts, Linda and Pam Pittman, Cheryl Michling, Rebecca Havenstein, Sharon Bosman, Dawn Elliott, Jackie Johnson Cinday Hale, and Darlene Wheeler.

Dickie Lowe, celebrating his eighth birthday Saturday, invited several friends to his home on Sibley road to join in the festivities. The boys spent the afternoon playing many games and were delighted when refreshment time came, with the birthday cake which had been baked and decorated in the shape of a dog.

An otology testing program was held Monday, February 19, at Huron High School. Twenty six children found to have hearing problems in an earlier testing, were seen by a doctor of otology from the Wayne County Health Department, who made recommendations for correcting the problem.

Assisting were Evelyn Walbel, registered nurse, Mrs. Noreen Williams, general assistant, and Mrs. Evelyn Balog and Mrs. Dorothy Rush, typists.

The regular meeting of the Huron Township Health Committee was held February 14 at Huron High School.

May 9 has been selected by the committee and the Huron School District as the date for the annual immunization clinic. Mothers are asked to check their records to find what immunizations their children will need this year. Survey sheets requesting this information will

be sent home in the near future. The clinics will again be held in all Huron District Elementary Schools.

Sell-out crowds watched last week-end's performance of "Oklahoma" by the members of the Wyandotte Community Theatre. Performances were originally planned for only Thursday, Friday and Saturday of this week but due to requests for more tickets the cast will hold a matinee Sunday, February 25, at 3 p.m. Ticket information may be obtained by calling 782-9024. Blocks of tickets are available for the matinee.

Charles Bukowski, of Waltz, is a patient in Memorial Hospital, Monroe, where he is scheduled to have surgery this week.

The Huron School District hot lunch program will offer the following menus February 22 through March 1.

Thursday, February 22: Beef in gravy, mashed potatoes, butter corn, applesauce, bread and butter, milk.

Friday, February 23: Tomato soup, grilled cheese, sandwich, fruit and cookies and milk.

Monday, February 26: chili, butter corn, applesauce, bread and butter, milk.

Tuesday, February 27: Hamburg on a bun, green beans, peaches, cheese sticks and

milk.

Wednesday, February 28: Macaroni and Cheese, hot dog, tomatoes, pears, hot biscuit and butter, milk.

Thursday, February 29: Vegetable soup, peanut butter sandwich, fruit and cake, milk.

Friday, March 1: Fishwich, butter corn, spinach, pudding and milk.

Boy Scout Troop #50 of Waltz won a "68" award for their window display in the building adjacent to the Waltz Garage. The award was presented at the February 10 meeting in the Waltz Fire Hall where the boys also demonstrated the skills they have learned in scouting.

## Fred R. Grist Gets Rail Post

BELLEVILLE -- Fred R. Grist has been appointed district manager-freight sales of the Rock Island Lines with headquarters in Detroit, Henry J. Koukal, general sales manager, Chicago, announced.

Grist, who has been freight sales representative in Detroit since March, 1965, will supervise sales activities for the Rock Island in Detroit and in cities and towns of 37 counties throughout the state, including Belleville, and in Lucas County in Ohio.

ROTARIANS HEAR TALK ON SOCCER -- Gordon Preston, public relation man for the Detroit Cougars Soccer Team (right) was the featured speaker at a recent dinner-meeting of the Belleville Rotary Club held at the First Methodist Church of Belleville. He is shown with Donald Juchartz, club president. Preston commented on the history and future of the sport of Soccer in the Detroit Metropolitan area. Films on the fast growing sport were also presented.

## Little League Football Club Is Announced

BELLEVILLE -- The formation of a Belleville Little League Football Club with the assistance of the Belleville Jaycee Club is underway. A football franchise was obtained last week for the club from the All American League, Sam Villa, secretary and treasurer of the football club, announced.

The club members have chosen the name of "Cougars" for the team. Boys between the ages of 8 and 12 will be eligible to play.

President of the new club, Edward Gielinski, extends an invitation to any area citizen interested in helping to start the club to attend an open meeting

to be held in the Belleville High School Cafeteria at 7:30, Feb. 21.

Guest speaker will be John Smith, Commissioner of the All American Little League Football Association. It is our hope that a great number of area residents will turn out to support the new club.

# Area Educators To Participate In Trade-Technical Conference

Area Vocational Director, Don Leverenz, and several members of the vocational staff of the Area Vocational Education serving the School Districts of Huron, Flat Rock and Gibraltar are planning to attend the 1968 Trade & Technical Conference in Lansing.

"Improving teaching for the Changing Technologies" is the theme for the annual Trade and Technical Teachers Conference to be held Friday and Saturday, Feb. 23 and 24, at Kellogg Center on the Michigan State University campus.

Over 700 trade, technical, and health related occupations instructors and administrators are expected to participate. Dr. Victor F. Spathelf, president of Ferris State College, will deliver the keynote address at the opening general session.

Dr. William F. Pierce, deputy state director of Vocational Education, will review the results of the 1963 Vocational Act and its implications for trade and technical teachers.

Dr. Edgar L. Harden, recently retired president of Northern Michigan University and pres-

ently president of Story Incorporated, will be the speaker at the Friday noon Luncheon. Dr. Harden's topic will be "Commitment to Change."

THE FRIDAY evening banquet speaker will be Dr. L. Lament Okey, professor of speech, University of Michigan. Dr. Okey will speak on the subject, "What is Humor."

Arthur Oetmeyer, associate dean, Occupational Programs, Delta College, University Center, and Clovis Ferguson, Dearborn Public Schools, Dearborn, will be co-chairmen of the conference.

Occupational interest group meetings will include discussion of apprenticeship, automotive services, drafting and design, electricity-electronics, fluid power, graphics, health related occupations, metal removal, service occupations, welding, and wood construction.

PRIOR TO the occupational meetings Saturday morning, there will be a series of five general interest group meetings: "Understanding Vocational and Technical Education Programs," Area Vocational Education Programs: "Formula for Success," Research in Vocational and Technical Education," "Legislative Aspects of Vocational Education," and "Legal Employment of Youth and Veterans Pension and Readjustment Act of 1967."

The conference will close with a Saturday noon luncheon. Willard D. Cheek, staff assistant, public relations, General Motors Corporation, will speak on the subject, "The Privilege to Pursue."

This conference is sponsored by the State Department of Education, Division of Vocational Education, Trade and Industrial Service, in cooperation with Eastern Michigan University, Ferris State College, Michigan State University, Northern Michigan University, Wayne State University, Western Michigan University, and University of Michigan.

Chrysler sales have climbed for eight straight years. And for 1968, we know it's going to be "business as usual"—strictly on the upside. You see, we have 15 beautiful new Chryslers to choose from. At prices that start just a few dollars more a month than some Fords and Chevys, comparably equipped. Besides, we like the look of our sales curve so much we'll do most anything to keep it climbing. So drop in and move up with us. Test price the best of the big ones — Chrysler '68.

# County Seeks Help in Locating Defective Heaters

WESTLAND - Representatives of the Wayne County Health Education office are seeking local support today in an area and statewide effort to locate a number of defective gas-fired wall-type heaters.

The heaters are being recalled due to a manufacturer's defect, according to Gertrude

Enzeller and Roger Richter of the Division of Occupational Health.

Models sought were marketed by Sears, Roebuck & Company and the Samuel Stamping & Enameling Co., of Chattanooga, Tenn.

Investigations following a re-

cent death in Jackson attributed to an excessive carbon monoxide concentration caused by a defective heater, has caused stepping up of efforts to locate the defective heaters, Richter said.

Anyone having a Homart wall model heater is asked to immediately check its serial

number located on a plate on top of the burning box. Defective models are identified as Homart numbers: 113.72561 or 113.725611; 133.72562 or 113.725621; 113.72565 or 133.725651; and 133.72566 or 133.725661.

"If the Homart heater bears any of the above serial numbers

it is potentially dangerous. The owner should contact his local Sears store or catalog office where arrangements have been made to replace the identified units," Richter said.

A similar unit with the trade name "Suburban", manufactured by Samuel Stamping & Enameling Co., of

Chattanooga, Tenn., is also defective and has the following serial numbers: On 10,000 BTU size, BB-10-2N, BB-10-3N, BB-10-3LP and BB-10-4LP. On 15,000 BTU size, the numbers are BB-15-2N, BB-15-3N, BB-15-4N, BB-15-2LP, BB-15-3LP and BB-15-4LP.

This company is no longer in business, Richter said. A new company, Suburban Manufacturing Company of Dayton, Tenn., is manufacturing similar units that have the identical serial numbers. These units are NOT defective.

Anyone owning a Suburban heater should remove the grill and check the manufacturer's

plate, located on the burner section. If the name "Samuel Stamping & Enameling Co." appears with the above serial numbers, the unit should be removed and destroyed. Further information may be obtained by telephoning the Division of Environmental Health, CR 4-2800 or PA 1-0200, ext. 6951.

IF YOU ARE SUFFERING

from nagging backaches, lack of energy, blues and other assorted ills, you should see your doctor.

If you have an expensive wife, too much time on your hands and work is your hobby you should see us.

We prescribe large doses of effort, lots of accomplishment and a diet heavy in U. S. currency. (You will get enough exercise carrying your money to the bank).

We specialize in treating successful salesmen to the highest earnings they have ever seen on both salary and commissions. We have done this time and again for people who like the finer things in life. We are highly successful at it. You must be also.

Our examination costs nothing and a few minutes of your time is all you invest.

**Senior Club Hears Talk On Police**  
BELLEVILLE-- Sgt. Clayton (Mickey) McLaughlin of the Belleville City Police Dept. was the featured speaker at the last week's meeting of the Belleville Area Senior Citizens Club.  
He spoke on the varieties of roles a policeman plays in his work to help a community be a better place in which to live. Tomorrow's meeting, Thursday, on Washington's birthday, the Mayor Royce E. Smith of Belleville will speak on "City Government, Present and Future". For refreshment time the club will have a "Pie Party" with many flavors.  
Beginning this month, February, the club president will pick a member as Belleville Area Senior Citizen of the Month.  
For February the member chosen was Harold Cullin, 1934 Harmon street, Ypsilanti, who was born in Saline in 1896. Harold shared with the club his memories of his life. He owned and operated the Standard Oil Service Station at Fifth and Main street, Belleville for 39 years. Harold and Ethel Cullin will celebrate their Golden Wedding Anniversary next month.  
The family will get together this summer to fully celebrate the big occasion.  
WITH VICE-PRESIDENT and trip manager, Nellie Van Wormer in charge, a bus load of Senior Citizens last Friday took off for Battle Creek to tour the Kellogg Cereal Plant.  
The weather was beautiful and the trip was enjoyed to the fullest. The next trip planned for the club is a trip to Rochester, Mich. to tour the Leader Dog School which train dogs to take care of blind people. This will take place on Friday, March 15.  
The Club has as their "Help Others" project the making of lap robes.  
Under the direction of Ethel Cullin and Lucille Renton, this project has produced more than 130 robes.  
If anyone has any old blankets, bed spreads and drapes that they could give toward this project they should take them to the Methodist Church office, Richard Coffelt, Director of the Club, announced.

# TIGER TALES

BY SANDY PARIS

The Industrial Arts classes at Belleville High School have been busy working on many projects. The teachers in charge of the classes are Joseph Stachnik, Phillip Newpert and Harold Sole.

Mr. Stachnik's ninth graders have been working from the materials of sheet metal, bench metal, and metal foil (which is a combination of metal and wood). The boys have learned to polish, buff and heat the metal. Each of the students have made their own hammer and chisel. Other projects that have been completed by the boys are dust pans, pots, pans and candy dishes.

Mr. Neupert's classes are working on designing and production. They are trying to complete their semester requirements which each boy has to make. It can be anything they want, but it must contain a door, a panel, and a drawer. With the exception of Mr. Sole's first hour class which are completing footstools, the rest of the classes are working on Machine Technology. This is the study of machines and how they work. It also includes tool and die work.

SHOP CLASSES aren't necessarily for boys only, one of the junior girls Robin Keyser is enrolled in fourth hour shop class.

Members of a staff on school papers at Michigan high schools are invited to enter Quill and Scroll's 1968 National Writing Contest. There are different divisions that are available for each person to enter. They consist of the Editorial, News, Photograph, Feature, Advertisement, and Sports writings. All of these are divisions that can be entered by students.

Some of the general contest rules are: All school entries must be the work of the student, there cannot be any combined entries. All schools are allowed two entries for each division. All entries must have been published in a high school or a professional newspaper between Sept. 1, 1967 and Feb. 1, 1968.

Submit the complete page of the newspaper that your story is on. Do not send the whole paper. Attach an information slip to each entry giving the following information: (1) division of contest (2) name, address and class of student (3) name of newspaper (4) name and location of school (5) name of adviser (6) identification if entry such as head-line or caption.

STUDENTS HAVE to have their entries in by March 1. All entries become the property of Quill and Scroll and will not be returned. All students entering the contest must conform to the rules. Good luck to all students entering.

LAST WEEK the students at BHS began filling out their registration blanks for the course that they chose while they were in their freshmen year. In filling these out each year they are to take the required subjects and the electives they want. After they are turned in, each student's counselor will call him or her in to talk about their subjects and see if they make the best choices for their talents and interests. They will also think about the students future plans in deciding what he or she is to take.

## Collections Costs Up

ROMULUS -- Payment of increased costs for the weekly collection of rubbish and garbage in Romulus Township has been approved by Romulus Township Board.

A rise in the number of unit pickups, approximately 400 units, due to a boost in dwellings and commercial establishments in the Township, was cited as the reason for an additional weekly payment by the Township of between \$150 to \$200 per week.

The contract to collect weekly pickups of rubbish and garbage is held by Canejo & Sons Trucking Company of Romulus. The contract was for two years at \$75,088 per year, starting with Dec. 5, 1966.

The number of combined pickups covered initially in the contract payment amounted to 3,800 pickups. Since then weekly pickups have increased to 4,200.

The increased cost is retroactive to Dec. 5, 1966, Alfred J. Perry, clerk and board member, reported.

Students that wish to join the Co-operative Training Program must fill out an application. The applications may be picked up in the Guidance Office or from Mr. Payne or Mrs. Linn in room 242. These applications must be turned in on or before Friday, Feb. 23. No enrollments will be taken after this time. No fall enrollments will be accepted. Sophomores who are planning to take the co-op training during their senior year should start taking the necessary preparatory classes during their junior year.

The sophomore candy sale is well under way now. All of the tenth graders are busy trying to sell their tasty and bark candy so they can earn money towards their senior trip.

Other things can also be won by the sophomores during this sale. The prizes are being displayed in the main entrance in the show case window at the high school. Among the prizes to be given away there is a typewriter, a radio, a record player, and quite a large number of different stuffed animals. There is a lot of competition going on between fellow sophomores at BHS.

THE "FASTEST SLED" -- Troop No. 793 sponsored by St. Anthony's Catholic Church, Belleville, set up a Boy Scout display in window space donated by Roberts Brothers Furniture Store during Scout Week (Feb. 7-13th). One of the troop's display highlights was an exhibition of "the fastest sled" a title won the troop in the recent Huron Boy Scout District's Winter Camp Out held at Haggerty Field in Edward Himes Park in January. In the sled is Jackie Verdine and at the rear of the sled is Bernard Polzin.
